NOTICE OF PUBLIC HEARING

Proposed Change of Election System and Establishment of Trustee Areas for the Governing Board of the Lucia Mar Unified School District

Pursuant to Education Code sections 5019 and 5030, the San Luis Obispo County Committee on School District Organization ("County Committee"), upon application from a school district's governing board, is authorized to change the method of election in a school district under its jurisdiction. On June 22, 2021, the Board of Education of the Lucia Mar Unified School District selected a preferred trustee area boundary map and staggering sequence of elections, and adopted Resolution Number A-2021-41, which was submitted to the County Committee for consideration and potential approval.

When considering a school district's proposal to adopt an alternative method of electing governing board members and to establish trustee areas, Education Code section 5019, subdivision(c) requires a county committee to call and conduct at least one public hearing in the district.

Notice is hereby given that the County Committee will conduct a Public Hearing on the proposal to establish trustee areas within the Lucia Mar Unified School District and to establish a by-trustee area election method for the members of the Lucia Mar Unified School District Board of Education, as follows:
