2011 - 2012 SCHOOL YEAR
SAN LUIS OBISPO COUNTY OFFICE OF EDUCATION

The CALIFORNIA STATE PRESCHOOL offers a parent and child education program to low and moderate income families. It is free of cost to qualified families. The program is funded by the California State Department of Education and administered through the San Luis Obispo County Office of Education.

One of the most important aspects of our program is "parent education and involvement." The following participation is needed to insure the required adult/child ratios for licensing and the educational goals for both the children and families in our program: 1) assure full attendance for your child (5 days per week for a 3-hour period); 2) transport your child to and from school at the designated time (we do not offer transportation); 3) attend parent education meetings; and 4) participate twice per month in the classroom.

*The California State Preschool has full day programs in various locations. The requirements for the extended day portion of the program are that families must be working a minimum of 30 hours per week or taking a minimum of 12 units of college course work and/or an approved vocational training program. Enrollment for the full day programs will take place during your orientation with your teacher.

OUR CHILD EDUCATION PROGRAM INCLUDES:

- Child-directed activities to develop independence, problem-solving, decision-making and creative thinking skills.
- Teacher-planned activities to expand the children's interests and knowledge.
- Language development and communication skills.
- Cognitive development - pre-academic skills for reading, mathematics, and science.
- Creative exploration - art, music, dance, drama.
- Physical development - small muscle and large muscle coordination skills.
- Dental, nutrition and safety education.
- Emotional and social development through play with other children.
- Breakfast or a nutritious snack is provided daily.

OUR PARENT EDUCATION PROGRAM INCLUDES OPPORTUNITIES TO:

- Focus on the important role parents play in their child's education.
- Build supportive relationships with other parents and teachers.
- Listen to speakers on topics such as positive discipline, health and nutrition, preparing your child for kindergarten, first aid, child safety both indoors and outside, etc.
- Learn about physical, cognitive, emotional, social, and creative development of children.

Attached is our Preliminary Application. The enrollment process begins May 1st. If you qualify for the program, you will be contacted by phone to schedule a day and time for your Enrollment/Orientation Conference. If your application is not accepted, you will be notified by mail.

NOTE: When considering families for enrollment, the eligibility criteria must be considered (four-year-olds and lowest income ranking have priority).
