The San Luis Obispo County Office of Education has received the California Classified School Employee Teacher Credentialing Program grant. This program is a state-funded career pathway program for classified employees, leading to a teacher preparation program and teaching credential. Eligible program participants may receive stipends for \$2,500 - \$3,000 per year for the next four years to cover eligible expenses (tuition, fees, and books).

The San Luis Obispo County Office of Education is working directly with Brandman University to ensure classified staff have access to educational opportunities to obtain a bachelor's degree and teaching credential.
