CA State Standards  
(Conditions of Learning)  
LCAP Priority 2

Implementation of academic content and performance standards adopted by the state board for all pupils, including English learners.

The CA Common Core Standards are not just a shift for students, but for teachers and schools as well. Supporting teachers in the instructional shifts necessary to move from “answer getting” to critical thinking requires ongoing Professional Learning, Coaching and an understanding of what teaching and learning should look like in classrooms in this era of deeper learning.

**Day 1 (Full Day) September 8, 2016**

**SLOCOE Board Room**
