

STRATEGIC PLAN TWO-YEAR GOALS - 2017-19

Goal #1

Build an organization-wide culture of clear and current communication practices, accountability, continuous learning, collaboration, and excellence.

Goal #2

Strengthen our innovation around data, professional development, research, equity, community resources, and collaboration in service of the entire county.

Goal #3

Advance the profession by cultivating a rewarding and enjoyable workplace through recruitment, training, retention, workforce diversity, leadership development, collaboration and career path development.

Goal #4

Develop sustainable programs that enhance and capitalize on both internal and external collaborations to promote service and stewardship.

Goal #5

Align and focus the programs and services provided to the CORE mission of County Offices as detailed by the State and sustainable stakeholder requests.
