California Education Code §5145.6 requires that parents receive annual notification of information of their rights and responsibilities. Please take time to review the following information. If you would like clarification on any of the following notifications please contact the administrator of your child's San Luis Obispo County Office of Education (SLOCOE) program or school.

ATTENDANCE

Children cannot learn if they are not in school. CA Ed Code §48200 requires students who are 6 – 18 years old to attend school on a regular basis. Schools do not receive funding for a student who is not in school, even when they are sick or have an excused absence. It is essential that your child attend school whenever possible; even if for part of a day, after or before appointments.

CA Ed Code §48205 defines the following absences as an excused absence.

- (1) Due to his or her illness.
- (2) Due to quarantine under the direction of a county or city health officer.
- (3) For the purpose of having medical, dental, optometrical, or chiropractic services rendered.
- (4) For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
- (5) For the purpose of jury duty in the manner provided for by law.
- (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
- (7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
- (8) For the purpose of serving as a member of a precinct board for an election pursuant to §12302 of the Elections Code.
- (9) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in §49701, and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- (10) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit thereof. The teacher of any class from which a pupil is absent shall determine the tests and assignments, which shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

For purposes of this section, attendance at religious retreats shall not exceed four (4) hours per semester.

“Immediate Family”, as used in this section, has the same meaning as that set forth in §45194, except that references therein to ‘employee’ shall be deemed to be references to “pupil”. (EC 48205(e))

ATTENDANCE WHERE CAREGIVER RESIDES

If your child lives in the home of a care-giving adult, as defined by law, your child may attend the school district in which that residence is located. Execution of an affidavit under penalty of perjury pursuant to the Family Code by the care-giving adult is required to determine that your child lives in the caregiver's home. (EC48204(d))

Active-duty military families may enroll their children in the school district where they are living not the district where the military base is located. Proof of residency needs to be provided within 10 days.

ATTENDANCE IN DISTRICT IN WHICH PARENT/GUARDIAN IS EMPLOYED

Your child may have the option of attending school in the school district where you or your spouse is employed. If interested, call the school office for information. (EC48204(b))

PUPILS IN HOSPITALS OUTSIDE OF SCHOOL DISTRICT

If, due to a temporary disability, your child is in a hospital or other residential health facility, which is located outside of SLOCOE District, he/she may be eligible to attend the school district in which the hospital is located. (EC48207) If this situation should arise, you should notify both the District where you reside and where the hospital is located so that individualized instruction, if possible, can be provided (EC48208)

INDIVIDUALIZED INSTRUCTION

If your child has a temporary disability preventing him/her from attending regular classes, SLOCOE will provide individual instruction when possible. (EC48206.3)

MINIMUM DAYS/PUPIL-FREE STAFF DEVELOPMENT DAYS

The COE will notify parents/guardians of its minimum days and staff development days at least one month in advance. The dates known at press time are included on school calendars and on the website. (EC48980(c))

DEFINITION OF A TRUANT

Pursuant to §48260(a): Any pupil... who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.

SUBSEQUENT REPORT OF TRUANCY

Pursuant to §48261: Any pupil who has once been reported as a truant and who is again absent from school without valid excuse one or more days or tardy on one or more days, shall again be reported as a truant to the attendance supervisor or the superintendent of the district.

DEFINITION OF A HABITUAL TRUANT

Pursuant to §48262: Any pupil is deemed a habitual truant who has been reported as a truant three or more times per school year, provided that no pupil shall be deemed a habitual truant unless an appropriate district officer or employee has made a conscientious effort to hold at least one conference with a parent or guardian of the pupil and the pupil.

HABITUAL TRUANT MANDATES & INTERVENTIONS

The law requires that after a student has been reported as a truant three or more times in one school year and after an appropriate school employee has made a conscientious effort to hold at least one meeting with the parent and the student, the student is deemed a habitual truant. Pursuant to §48263: When a student is a habitual truant, or is irregular in attendance at school, or is habitually insubordinate or disorderly during school, the student may be referred to a **School Attendance Review Board (SARB) Hearing**.

PRE-SARB CONFERENCE

Pre-SARB conferences are informational meetings designed to ensure you and your child are aware of the current laws related to school attendance and the consequences for parents and children when a student fails to attend school regularly. The meeting will be scheduled with a parent or guardian, the student, an administrator or designee, and may also include a probation officer assigned as the school's truancy officer or other support staff. The goal of this meeting is to increase positive student attendance thereby preventing a referral to SARB or any serious legal consequences.

SARB HEARING

SARB hearings are formal proceedings intended to provide solutions for students who fail to respond to the normal avenues of school intervention. The directives ordered by SARB are designed to divert students with serious attendance and/or behavioral problems from the juvenile justice system and to reduce the number of students who dropout of school. The

hearing will be scheduled with a parent or guardian, the student, and a district administrator or designee. Members of the Board may include, but are not limited to, representatives from SLOCOE, County Probation Department, District Attorney's Office, Department of Social Services, Department of County Mental Health, Court and Community School, Local Law Enforcement, Family Resource Center, and other community-based youth service agency/organizations that may be appropriate. Results of the hearing may include, but are not limited to, referrals to the County Truancy Board or the District Attorney's office, adjustments in school placement or program, or participation in counseling or parenting classes.

NOTIFICATION OF TRUANCY TO PARENT(S) OR GUARDIAN(S)

Pursuant to §48260.5: Upon a pupil's initial classification as a truant, the school shall notify the pupil's parent or guardian using the most cost-effective method possible, which may include electronic mail or a telephone call:

- a) That the pupil is truant.
- b) That the parent or guardian is obligated to compel the attendance of the pupil at school.
- c) That parents or guardians who fail to meet this obligation may be guilty of an infraction and subject to prosecution pursuant to Article 6 (commencing with §48290) of Chapter 2 of Part 27.
- d) That alternative educational programs are available in the district.
- e) That the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the pupil's truancy.
- f) That the pupil may be subject to prosecution pursuant to §48264.
- g) That the pupil may be subject to suspension, restriction, or delay of the pupil's driving privilege pursuant to §13202.7 of the Vehicle Code.
- h) That it is recommended that the parent or guardian accompany the pupil to school and attend classes with the pupil for one day.

FOSTER AND HOMELESS YOUTH

The McKinney-Vento Homeless Assistance Act for Homeless Children and Youth entitles all homeless school-aged children to the same free and appropriate public education that is provided to non-homeless students. Every school district must appoint a liaison to assist these students.

A homeless student is defined as a person between the ages of birth (Early Head Start and Head Start Programs) and twenty-two (special education students) who lacks a *fixed, regular, and adequate* nighttime residence and may temporarily:

- Live in an emergency or transitional shelter; abandoned building, parked car, or other facility not designed as a regular sleeping accommodation for human beings;

- Live “doubled-up” with another family, due to loss of housing stemming from financial problems (e.g., loss of job, eviction or natural disaster);
- Live in a hotel or motel;
- Live in a trailer park or campsite with their family;
- Have been abandoned at a hospital;
- Be awaiting foster placement in limited circumstances;
- Reside in a home for school-aged, unwed mothers or mothers-to-be if there are no other available living accommodations; or
- Be abandoned, runaway, or pushed out youth or migrant youth that qualifies as homeless because he/she is living in circumstances described above.

A homeless student has the right to attend either the *school of origin, defined as the school that the student was last enrolled or attended when last housed or any school attended in the past fifteen (15) months*; or the *current school of residence*. If a dispute arises over school selection or enrollment, the parent/guardian has the right to dispute the school’s decision by contacting the district’s homeless liaison and following the district’s dispute resolution policy.

The law requires the immediate enrollment of homeless students, which is defined as “attending class and participating fully in school activities”. Schools cannot delay or prevent the enrollment of a student due to the lack of school or immunization records *or other documentation usually required for enrollment*. It is the responsibility of the district homeless liaison to refer parents to all programs and services for which the student is eligible. Referrals may include, but is not limited to: free nutrition, special education services, tutoring, English Language Learners programs, Gifted and Talented Education program, preschool, before and after school services or any other program offered by the school or district. The district shall ensure that transportation is provided, at the request of the parent/guardian/unaccompanied homeless youth, to and from the school of origin, if feasible.

Unaccompanied youth; such as teen parents not living with their parent or guardian or students that have run away or have been pushed out of their homes, have access to these same rights.

AB 2306 states that students who are **foster, /homeless or former juvenile court school students** that transfer schools after the second year of high school, and are greatly deficient in credits may be able to graduate within four years with the state minimum requirements. School districts are required to issue and accept partial credit for courses that have been satisfactorily completed. Schools are required to notify students of this option. This exemption from local graduation requirements also now applies to children of active-duty military families (AB 365). AB 1124 amended AB 2306 allowing a juvenile court student to defer the issuance of the diploma until he or she is released. Then upon release, it allows the student to decline the diploma for the purpose of enrolling in a school to take additional coursework.

Foster and homeless youth are allowed educational rights, such as: immediate enrollment, remain in school of origin, enrollment in local comprehensive school, partial credits, graduation with state minimum requirements with possible fifth year/exemption from local graduation requirements, and access to academic resources, services and extracurricular activities. A local educational agency must provide a remedy to the affected pupil following the Uniform Complaint Procedures, including information regarding exemption from local graduation requirements, if educational rights are not allowed at the public high school.

TESTS/SURVEYS ON PERSONAL BELIEFS

Unless you and your children over 18 years of age provide written notification for nonparticipation, your child may volunteer to anonymously complete questionnaires, surveys (such as the Healthy Kids Survey), examinations, or marketing materials containing questions about your child’s or his/her parents’/guardians’ personal beliefs or practices in politics, mental health, anti-social, illegal, self-incriminating, or demeaning behavior, critical appraisals of others close to the family, about legally confidential relationships such as ministers or doctors, income (unless to determine eligibility in a program or for receiving assistance), sex, family life, morality, or religion. Parents/guardians have the right to review any survey or educational materials related to the survey on any of the above items. SLOCOE has developed policies relating to the surveys and personal information. (EC51513; PPRA, 20 U.S.C.; No Child Left Behind Act [NCLB])

IMMIGRATION

Residency Retention for Students Whose Parents are Detained or Deported

SB 257 added Education Code section 48204.4 which now allows students whose parents have been detained or deported to retain residency in a school district regardless of the student's current residency when certain conditions are met.

Immigration Enforcement-Know Your Rights

Assembly Bill (AB 699 added Education Code section 234.7 which requires LEAs to provide parents and guardians, as appropriate, information regarding the right to a free, public education, regardless of immigration status. This must include information relating to immigrant's rights posted on the Attorney General's website <https://www.oag.ca.gov/immigrant/rights>

Discrimination Based on Immigration Status

AB 699 also amended Education Code sections 200, 220, and 2341 to prohibit discrimination based on immigration status. Annual notice anti-discrimination provisions and Uniform Complaint Procedures provisions will require updates to include immigration status as a protected classification.

STUDENT RECORDS

You and your children, over 18 years of age, have the right to review and inspect their school records within five (5) days of a written request. Those records are confidential, and privacy will be maintained, except in some instances such as when your child transfers to another school. The records include transcripts, discipline letters, commendations, attendance, health, and possibly other related information. The records are maintained at the school site by school officials/designees. There is a log of who has viewed the records that is kept at the same location as the records. The COE forwards education records to other agencies or institutions that request the records and in which the student seeks or intends to enroll or is already enrolled as long as the disclosure is for purposes related to student's enrollment. Policy/Regulation 5125 sets forth the criteria by which school officials and employees can look and change or delete the files and why. You may have copies made for five (5) cents per page. You also have the right to file a written request with the Superintendent challenging the records. You can challenge how your request was handled with the COE or with the United States Department of Health, Education and Welfare if you think there is an inaccuracy, unsubstantiated conclusion or inference, a conclusion outside the observer's expertise, comment not based on personal observation with time and date noted, misleading information, or violation of privacy rights. You will have the opportunity to meet with the Superintendent or designee within thirty (30) days. If your challenge is sustained, the changes will be made. If not, you can appeal to the Board of Trustees, which has final authority. If you still have a different view, your view can be included in the student's record. (EC49063, 49060, 49070; Family Educational Rights & Privacy Act [FERPA] 34 CFR - Part 99).

Only if a court order is provided, will any student information be disseminated, attached or provided to federal officials. The court order must indicate prior approval of the presiding judge of the juvenile court.

SOCIAL SECURITY NUMBER– EC 49076.7

Prohibits schools districts, county offices of education, and charter schools from collecting or soliciting social security numbers or the last four digits of the social security numbers from pupils or their parents or guardians unless otherwise required to do so by state or federal law.

Pupils and their parents or guardians should not be asked to provide their social security numbers or the last four digits of the social security numbers unless required by state or federal law. If a form is requesting that you provide a social security number or the last four digits of the social security number for you and/or your child and it does not specify the state or federal law that requires this information, ask the school administrator for more information before providing it.

REGULATIONS REGARDING PUPIL ACHIEVEMENT

SLOCOE believes good communication between parents and teachers is important in the educational process. All appropriate forms of communication should be used. The progress report should reflect student progress in class work and proficiency levels and indicate educational growth in relation to the students' ability, citizenship, and effort. (EC49067)

TEACHER QUALIFICATIONS

The California High School Proficiency Exam (CHSPE) is a voluntary test that assesses proficiency in basic reading, writing, and mathematics skills taught in public schools. Eligible pupils who pass the CHSPE are awarded a Certificate of Proficiency by the State Board of Education. A pupil who receives a Certificate of Proficiency may, with verified approval from the parent or legal guardian, leave high school early. The Certificate of Proficiency is equivalent to a high school diploma; however, it is not equivalent to completing all coursework required for regular graduation from high school. Pupils planning to continue his or her studies in a college or university should contact the admissions office of the institution to find out if the Certificate of Proficiency will meet admission requirements. A pupil is eligible to take the CHSPE only if he or she meets one of the following requirements on the test date: 1) is at least 16 years old; 2) has been enrolled in the tenth grade for one academic year or longer; or 3) will complete one academic year of enrollment in the tenth grade at the end of the semester during which the CHSPE regular administration will be conducted. 12. Headgear of any kind may not be worn in buildings

Students whose dress and/or grooming is found to be in violation of the dress code or considered disruptive to the educational process will be sent to the principal's office. The student will remain there until appropriate clothing is brought from home. Multiple dress violations may result in a detention, community service or suspension. These standards apply at all school functions.

The following procedures are guidelines for implementing the policy and the code:

1. Teachers, counselors, or administrators are to make a reasonable attempt to counsel students whose grooming and/or dress deviates from the dress code.
2. A student who is found to be in violation of the dress code may be sent home or may otherwise be required to properly prepare himself/herself for school.
3. If the violations continue, contact is to be made with the parents/guardians by the school representative and the parents/guardians are to be made aware of the failure of the student to conform to the rules and regulations of the school.
4. Continued violation of the dress code constitutes willful disobedience and is good cause for suspension or expulsion from school.

GANG-RELATED APPAREL

The principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received. (EC35183)

RELEASE OF STUDENT TO A PEACE OFFICER

If a school official releases your child from school to a peace officer for the purpose of removing him/her from the school premises, the school official shall take immediate steps to notify you or a responsible relative of your child, except when a student has been taken into custody as a victim of suspected child abuse. In those cases, the peace officer will notify the parent/guardian. (EC48906)

PARENT RESPONSIBILITY

Parents/guardians are liable for all the damages caused by the willful misconduct of their minor children which result in death or injury to other students, school personnel, or damage to school property. Parents/guardians are also liable for any school property loaned to the student and willfully not returned. Parents/guardians' liability is defined in §48904. The school may withhold the grades, diplomas or transcripts of the student responsible until such damages are paid or the property returned, or until completion of a voluntary work program in lieu of payment of money. (EC48904, Civil Code Sec.1714.1) If your child commits an obscene act or engages in habitual profanity or vulgarity, disrupts school activities, or otherwise willfully defies the authority of school personnel, and is suspended for such misconduct, you may be required to attend a portion of a school day in your child's classroom. (EC48900.1)

STUDENT SEARCH

The school principal or designee may search the person of a student, the student's backpack or purse if there is a reasonable suspicion to believe the student may have a concealed weapon, narcotics, stolen property, or contraband. (U.S. Supreme Court Case: New Jersey vs. T.L.O. (1985) 469 U.S. 325)

SEARCH – Police Dogs

Ensuring your students are safe from drugs requires a drug free school. Trained police dogs may be used in a search on the school grounds, in hallways, social areas, locker rooms, gyms, parking lots and classrooms. As a parent one of the most crucial policies to demand from your student's school is a drug free campus. Nationwide, over 85% of high school students and 44% of junior high students report seeing drugs used, sold, or stored on campus with 31% of high school students and 9% of junior high students seeing such conduct at least once a week (Center for Substance Abuse Research). Law Enforcement and probation will be involved along with school officials during any search of campus involving trained police dogs.

CELL PHONES and other ELECTRONIC SIGNALING DEVICES

Schools may regulate the possession or use of any cell phones, pagers, iPods, mp3 players, or electronic signaling devices while pupils are on campus, while attending school-sponsored activities, or while under the supervision and control of school district employees. (EC48901.5)

(w) It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities.

MANDATORY SUSPENSION AND/OR EXPULSION

EC 48915. Circumstances for Recommending Expulsion

(a)(1) Except as provided in subdivisions (c) and (e), the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct:

(A) Causing serious physical injury to another person, except in self-defense.

(B) Possession of any knife or other dangerous object of no reasonable use to the pupil.

(C) Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for either of the following:

- (ii) The possession of over-the-counter medication for use by the pupil for medical purposes or medication prescribed for the pupil by a physician.

(D) Robbery or extortion.

(E) Assault or battery, as defined in Sections 240 and 242 of the Penal Code, upon any school employee.

(b) Upon recommendation by the principal, superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board may order a pupil expelled upon finding that the pupil committed an act listed in paragraph (1) of subdivision (a) or in subdivision (a), (b), (c), (d), or (e) of Section 48900. A decision to expel shall be based on a finding of one or both of the following:

(1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

(2) Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(c) The principal or superintendent of schools shall immediately suspend, pursuant to Section 48911, and shall recommend expulsion of a pupil that he or she determines has committed any of the following acts at school or at a school activity off school grounds:

(1) Possessing, selling, or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a firearm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This subdivision applies to an act of possessing a firearm only if possessing an imitation firearm, as defined in subdivision (m) of Section 48900, is not an offense for which suspension or expulsion is mandatory pursuant to this subdivision and subdivision (d), but it is an offense for which suspension, or expulsion pursuant to subdivision (e), may be imposed.

(2) Brandishing a knife at another person.

(3) Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.

(d) The governing board shall order a pupil expelled upon finding that the pupil committed an act listed in subdivision (c), and shall refer that pupil to a program of study that meets all of the following conditions:

(1) Is appropriately prepared to accommodate pupils who exhibit discipline problems.

(2) Is not provided at a comprehensive middle, junior, or senior high school, or at any elementary school.

(3) Is not housed at the school site attended by the pupil at the time of suspension.

(e) Upon recommendation by the principal, superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board may order a pupil expelled upon finding that the pupil, at school or at a school activity off of school grounds violated subdivision (f), (g), (h), (i), (j), (k), (l), or (m) of Section 48900, or Section 48900.2, 48900.3, or 48900.4, and either of the following:

(1) That other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

(2) That due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(f) The governing board shall refer a pupil who has been expelled pursuant to subdivision (b) or (e) to a program of study which meets all of the conditions specified in subdivision (d). Notwithstanding this subdivision, with respect to a pupil expelled pursuant to subdivision (e), if the county superintendent of schools certifies that an alternative program of study is not available at a site away from a comprehensive middle, junior, or senior high school, or an elementary school, and that the only option for placement is at another comprehensive middle, junior, or senior high school, or another elementary school, the pupil may be referred to a program of study that is provided at a comprehensive middle, junior, or senior high school, or at an elementary school.

(g) As used in this section, "knife" means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade fitted primarily for stabbing, a weapon with a blade longer than 3½ inches, a folding knife with a blade that locks into place, or a razor with an unguarded blade.

(h) As used in this section, the term "explosive" means "destructive device" as described in Section 921 of Title 18 of the United States Code.

TECHNOLOGY

SLOCOE recognizes that technology provides ways to access the most current and extensive sources of information. Technology also enables students to practice skills and to develop reasoning and problem-solving abilities. Every effort shall be made to provide equal access to technology throughout SLOCOE schools and classes.

ACCEPTABLE INTERNET USE POLICY--Electronic Media Communication

SLOCOE provides computers, Internet and email access to teachers, students, staff and administrators. To create a common expectation for the acceptable use of such communication devices, each user of such devices is expected to subscribe to and observe this Acceptable Internet Use Policy. This policy does not cover all required or expected behavior. Each user is expected to exercise sound judgment regarding appropriate conduct. Please read this document carefully before signing, since you are agreeing to adhere to this policy. Your signature at the end of this document is legally binding and indicates that you have read the terms and conditions carefully and understands their significance.

COMPUTERS No software may be installed on any computer unless it has been approved by SLOCOE Information Technology Services Department. Making copies of any SLOCOE owned software is prohibited. Passwords and other access restrictions must be made known to the appropriate supervisor so that authorized access is always available to information on computers. Computers and associated technology may not be used for commercial or political purposes, or for any purpose that is immoral, illegal, or contrary to SLOCOE policies. Use of technology for employee organization purposes is permitted only in accordance with the separate rules established between the employer and those organizations.

ELECTRONIC (COMPUTER) FILES Documents created and stored on computers and e-mail systems may be considered public records, subject to disclosure under the Public Records Act. Any information relating to the conduct of the public's business is a public record if it is prepared, owned, used or retained by the office in any form. This includes computer records, e-mail messages and anything downloaded and retained from the Internet, including bookmarks. It is not necessary for there to be a hard copy, i.e. paper, for an item to be considered a public record. Any record that is stored on any office equipment, even if it is a personal item placed there by an employee or student, may fit the definition of a public record. These records may be subject to disclosure under a request for public records. Although SLOCOE does not regularly monitor computer files, e-mail or Internet use, we retain the right to do so. Employees do not have a legitimate expectation of privacy with respect to what they store, send, receive, or access. Additional cautions regarding use of e-mail are detailed below.

CONFIDENTIAL STUDENT FILES AND DOCUMENTS Confidential student files and documents may be sent in an electronic format as set forth: Within the County Office of Education: • Documents are sent strictly through the COE system (slocoe.org) to computers/e-mail accounts that are password protected (slocoe.org); • Documents that are printed shall be placed into secure files; • Documents are saved into electronic files which reside on password protected computers or in password protected accounts; • Documents should never be left accessible to the public. Outside the County Office of Education: • Documents shall only be sent when password protected; • Social security numbers shall not be sent electronically; • Documents shall have a cover sheet which includes the following language:

CONFIDENTIALITY NOTICE: This communication and any documents, files, or previous email messages attached to it, constitute an electronic communication within the scope of the Electronic Communication Privacy Act, 18 USCA 2510. This communication may contain non-public, confidential, or legally privileged information intended for the sole use of the designated recipient(s). The unlawful interception, use, or disclosure of such information is strictly prohibited under 18 USCA 2511 and any applicable laws. If you received this message in error or are not the intended recipient, you should destroy the e-mail message and any attachments or copies, and you are prohibited from retaining, distributing, disclosing or using any information contained herein. Please inform us of the erroneous delivery by return e-mail or by calling us at (805) 543-7732. Thank you for your cooperation.

EMAIL: Email is a very convenient way to communicate and to send computer documents as attachments. When an e-mail message is sent or received, the message may be deleted without saving it (although this does not erase the message from existence), or a hard copy of the message may be printed, and/or the message may be kept in electronic files. Although there is informality inherent in using email, remember to maintain a hard copy of documents that constitute a record for the office. Under the Brown Act, board members and officers of official bodies may not use email to conduct meeting business. E-mail is not guaranteed to be private. System operators do have access to all mail. The SLOCOE will provide a reasonable level of security for information on the network, but cannot guarantee the privacy or confidentiality of any information stored or transferred on it. E-mail can theoretically be intercepted and read at any point where it is forwarded along the network and e-mail with invalid user or hostnames is sometimes delivered to the system administrator. The identity of the person who created a message can be determined; courts have ordered commercial providers to disclose this information in legal cases. If there is any information that absolutely should not be seen by another person, then do not email it. E-mail users are expected to follow the generally accepted rules of network etiquette. Each user represents him/herself and SLOCOE on a potentially global forum. The following rules are provided as a sample: TM Be polite. Abusive messages are unacceptable. TM Use appropriate language. Although electronic mail (e-mail) tends to be more casual than other forms of written communication, never swear, use vulgarities or any other inappropriate language. TM Be discreet. Do not reveal any personal information, address or phone numbers of students or colleagues. TM Disruptions. Do not use the network in such a way that would disrupt the use of the network by other users. TM Good practices: Be brief. Don't contribute to information overload. Spell it right. Forgive spelling and grammatical errors of others. Make sure each message is easy to read and understand. Get the most appropriate audience for the message, not the widest one. Use accurate titles for messages to indicate what they are about.

Capitalizing entire words that are not titles is generally termed as SHOUTING! Be careful with the use of humor- it is commonly misinterpreted as satire. Cite references for facts, as appropriate. Keep signatures brief. Post only to groups known to the user.

INTERNET The Internet is a vast collection of networked computers offering a cornucopia of information on every conceivable topic. Web browsers have made the Internet graphical and enabled access with unprecedented ease. Users are advised that some Web sites may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material. The SLOCOE does not condone the use of such materials. SLOCOE provides a Web filtering service that blocks access to much of the inappropriate material, minimizing the potential access by students. We believe that the valuable information and interaction available on this worldwide network far outweigh the possibility that users may procure material that is not consistent with educational goals. Internet access is coordinated through a complex association of government agencies, and regional and state networks. The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. Guidelines are provided here so that users are aware of the responsibilities they are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources. If a user violates any of these provisions, his or her account may be terminated and future access could be denied; additionally, disciplinary and/or legal action may be taken.

INTERNET ACCESS - TERMS AND CONDITIONS 1. Acceptable Use - Access must be in support of education and/or research and must be consistent with the educational objectives of the community. Using other organization's network or computing resources must comply with the rules appropriate for that network. 2. Privileges - The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The SLOCOE system administrators will deem what is unacceptable use and their decision is final. Also, the administrators may close an account at any time, as required.

ACCEPTABLE/UNACCEPTABLE USE 1. Any use for illegal, inappropriate, or obscene purposes, or in support of such activities, is prohibited. Illegal activities shall be defined as a violation of local, state, and/or federal laws. Inappropriate use shall be defined as a violation of the intended use of the network, and/or purpose and goal. Obscene activities shall be defined as a violation of generally accepted social standards for use of a publicly-owned and operated communication vehicle. 2. Use for commercial purposes, including personal gain, is prohibited. 3. Copying materials in violation of copyright law is prohibited. 4. Use for product advertisement, religious advocacy, or political lobbying is prohibited. 5. No use shall serve to disrupt the use of the network by other users. 6. Any user's traffic that traverses another network may be subject to that network's acceptable use policy. From time to time, SLOCOE will make decisions on whether specific uses are consistent with this policy. The SLOCOE shall remain the final authority on use of the network and the issuance of user accounts. We reserve the right to modify this policy at any time. Users will receive prompt notification of all modifications.

SECURITY - Security on any computer system is a high priority, especially when the system involves many users. Any security problem should be brought to the attention of the system administrator. Do not demonstrate the problem to other users. Do not use another individual's account. Attempt to login as a system administrator will result in immediate cancellation of user privileges. APPROVED BY COUNTY BOARD OF EDUCATION 9/1/05 REVISED BY COUNTY BOARD OF EDUCATION 12/11/08

USER AGREEMENT

I understand and will adhere to the above Acceptable Internet Use Policy. I further understand that any violation of the regulations above is unethical and may constitute a criminal offense. Should I commit any violation to this policy, my access privileges may be revoked, and/or disciplinary/legal action may be taken.

TRANSPORTATION

SCHOOL BUS RULES: Safety, Order And Rights

* Sit down and REMAIN SEATED until the bus comes to complete stop.

* Electronic devices are allowed on the bus only if such devices are allowed at school. These devices shall not be used in

such a way as to distract the bus driver.

- * Profanity and vulgarity will not be tolerated; obscene gestures, especially towards the driver or people outside the bus, will result in disciplinary action.
- * Eating, drinking, and chewing gum is not allowed. The bus and bus stops shall be kept clean and bus equipment shall not be tampered with or vandalized.
- * Throwing objects, whether within or out of the bus, is prohibited by law and will result in disciplinary action.
- * No boisterous, disruptive, or distracting behavior. * No violent behavior, physical or verbal.

PARENTS: Your reinforcement of these regulations will help considerably in maintaining discipline. Parents/Guardians will be responsible for any damage to vehicles caused directly by their child. Note: FOR THE SECURITY AND SAFETY OF EVERYONE, THE BUSES ARE EQUIPPED WITH VIDEO MONITORING SYSTEMS.

DISCIPLINE PROCEDURES

Bus conduct reports are initiated by the bus driver; copies are distributed to the Transportation Department office and the Community School administrative office. After consultation and evaluation of the pupil's misconduct, further disciplinary action may be taken. Depending on the severity of misconduct, temporary denial of transportation may be initiated. A parent conference may be necessary before bus riding privileges can be resumed. Disciplinary action taken will be based on one of the following categories:

A) Group I: WARNING (and optional temporary denial)

This action will be considered when a pupil's misconduct is of a minor nature which does not jeopardize the safety of the other students or the safe operation of the bus. This action may involve a verbal or written warning and may include one to two days of suspension from transportation services.

Group I — Warning and/or Written Referral

Violations/Consequence

Distracting driver, changing seats or walking in aisle while bus is moving, throwing items, or Defiance of Driver's directives, or Possession of the following items on campus is prohibited: permanent markers, spray paint, lighters, squirt guns, laser pens, and similar devices (items will be confiscated) or Using profanity or obscene language, and/or committing vulgar or obscene acts, or other inappropriate acts or actions

-Warning — either verbal or written referral to Assistant Principal. Possible one-three day suspension from transportation

B) Group II: TEMPORARY DENIAL

When a pupil's misconduct is deemed to jeopardize the safety of the bus passengers and its operations or when repeated warnings fail to correct abusive behavior, or when a student blatantly violates standard rules of behavior on the bus, or when a student inflicts damage to the bus or tampers with bus equipment, temporary denial of bus service will be considered. Student and Parent will sign a written behavior contract before riding privileges will be reinstated. Severe occurrences, continued improper behavior or repeat violations will result in denial of transportation services for the remaining portion of

the school year.

Group II — Written Referral and Transportation Suspension

**Student and Parent will sign a written behavior contract before riding privileges will be reinstated*

Violations/Consequence

Vandalizing or tampering with equipment. California Education Code 48900 (f) (g)

-Written referral to Assistant Principal and three day transportation suspension. Student/Parents to pay restitution BEFORE transportation privileges are reinstated.

Smoking, "vaping", or possession of alcohol, tobacco, or drugs or being under the influence of alcohol or drugs or controlled substance California Education Code 48900 (c) (h) **or** Fighting, harassing or intimidating other students California Education Code 48900 (a) **or** Willful defiance of bus driver or other official, or disruption of transportation processes, or willful defiance of school personnel engaged in performing their duties California Education Code 48900 (i)(k)

-Written referral to Assistant Principal and 10 school-day transportation suspension.

Recurrence of any Group I or II offenses

-Written referral to Assistant Principal and denial of transportation for remainder of school year.

C) Group III: EXCLUSION OF BUS SERVICE

Depending of the degree of misconduct, this action may be necessary. It will be applied in cases where misconduct is of such a nature where safe operation of the bus and its occupant's safety is willfully and seriously threatened. Any severe occurrence of improper behavior or repeat violations may also result in permanent exclusion from SLOCOE bus transportation services.

Group III — Written Referral and Permanent Exclusion from Transportation services

Violations/Consequence

Causing serious physical injury, terrorist threats, violence, robbery or extortion, assault/sexual assault on bus driver or another person. California Education Code 48900(a) (n) **or** Possession of any type of firearm, knife, explosive or other dangerous object. California Education Code 48900 (b) **or** Continued reoccurrence of the any Group I or II offenses, or severe occurrences of any offense.

-Written referral to Assistant Principal and permanent exclusion from transportation services.

NOTE: TEMPORARY DENIAL OR EXCLUSION OF BUS SERVICE DOES NOT MEAN A STUDENT IS SUSPENDED FROM SCHOOL, ONLY BUS PRIVILEGES.

PERSONAL ARTICLES

For safety reasons, animals, glass bottles, weapons, drugs, or any other articles which may be dangerous or illegal will not be allowed on the bus. California law now makes possession of cigarettes by a minor unlawful. The driver will issue a citation to any student in violation of this statute. Similarly, possession of lighters and matches will incur harsh consequences. Any evidence of smoke or fire from any source on the bus will be dealt with SEVERELY. MEDICAL

NOTICE TO PARENTS/GUARDIANS: CALIFORNIA LOCAL EDUCATIONAL AGENCY PROGRAM

Your school district, in cooperation with the California Departments of Health Services and Education, has a program to allow the District to be reimbursed with federal Medicaid dollars for selected health services (such as hearing and vision screenings, health assessments) provided to eligible students at school. In accordance with Local Education Agency rules and guidelines, we are notifying you that eligible student records may be forwarded to the District's billing agency. These records will be forwarded in a confidential manner. Our vendor holds a contract with the District that contains a specific confidentiality clause to ensure information is not disclosed inappropriately; further, our vendor is HIPAA compliant (Federal Health Insurance Portability & Accountability Act),

School health services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will never be billed for services by the school district.

KINDERGARTEN & FIRST GRADE PHYSICAL EXAMINATIONS

State law requires that for each child enrolling in the first grade, the parent/guardian must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18 months. If your child does not receive this exam, you must file with the school district a waiver stating the reasons you are unable to obtain such services. You must understand that your child may be sent home if you fail to provide the certificate or waiver, or if your child is suspected to be suffering from a contagious disease. You may find it convenient to have your child immunized at the same time that the physical examination is conducted. These services may be available to you at no cost through the Child Health & Disability Prevention Program (CHDP). For information, you may contact SLO County Health Department, 5575 Hospital Drive, Atascadero, CA - 805.461.6050.

ORAL HEALTH ASSESSMENT

California Law, Education Code §49452.8, now requires that your child have an oral health assessment (dental check-up) by May 31 in either kindergarten or first grade, whichever is his or her first year in public school. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other licensed or registered dental health professional.

IMMUNIZATIONS

A pupil may not be admitted to school unless he/she has been fully immunized against diphtheria, pertussis (whooping cough), tetanus, poliomyelitis, measles, mumps, and rubella. Students entering kindergarten and the seventh grade are required to have three doses of Hepatitis B vaccine and a second dose of measles containing vaccine. Students must be immunized for varicella or provide proof from a doctor stating that the child has had the disease. Tdap booster vaccine is required for all incoming 7th graders. The required immunizations are available from the San Luis Obispo County Health Department or a physician. Documented proof of immunization must be up-to-date before admission to school is granted.

Students must be immunized against certain communicable diseases. Students are prohibited from attending school unless immunization requirements are met for age and grade. The school district shall cooperate with local health officials in measures necessary for the prevention and control of communicable diseases in school age children. The district may use any funds, property, or personnel and may permit any person licensed as a physician or registered nurse to administer an immunizing agent to any student whose parents have consented in writing.

Beginning January 1, 2016, parents of students in any school, will no longer be allowed to submit a personal beliefs exemption to a currently required vaccine. A personal beliefs exemption on file at school prior to January 1, 2016 will continue to be valid until the student enters the next grade span at kindergarten (including transitional kindergarten) or 7th grade.

Students are not required to have immunizations if they attend a home-based private school or an independent study program and do not receive classroom-based instruction. However, parents must continue to provide immunizations records for these students to their schools. The immunization requirements do not prohibit students from accessing special education and related services required by their individualized education programs.

A student not fully immunized may be temporarily excluded from a school or other institution when that child has been exposed to a specified disease and whose documentary proof of immunization status does not show proof of immunization against one of the communicable diseases described above.

MEDICATION(S)

Children may take medication, which is prescribed by a physician, and get help from school personnel during the school day if:

1. The COE designee has received a written statement from the physician detailing the method, amount, and time schedules by which the medication is to be taken; and
2. Parent/guardian submits a written statement indicating his/her desire that the school district assist his/her child in taking the medication; and
3. Parent/guardian signs a release statement on a special form available from the COE. (EC49423)

If your child is on a continuing medication regimen for a non-episodic condition, you are required to notify the COE designee of the medication being taken, the current dosage, and the name of the supervising physician. (EC49480) With the

parent/guardian's consent, the school nurse may communicate with the student's physician regarding the medication and its effects and may counsel school personnel regarding the possible effects of the drug on the student's physical, intellectual and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose.

ANAPHYLAXIS TREATMENT

California Education Code §49414 authorizes school districts to provide epinephrine auto-injectors to trained personnel to use to provide emergency medical aid to persons suffering from an anaphylactic reaction.

Anaphylaxis is a rapid, severe allergic response triggered by insect stings, foods, medications, latex materials, exercise, or in rare cases by unknown causes. This is a life-threatening allergic condition, requiring immediate treatment. Administering epinephrine to students during a medical emergency may help to insure the student's health and safety at school. Therefore, SLOCOE has adopted a policy for giving life-saving epinephrine to students in need of such treatment.

This policy states that a credentialed, licensed school nurse or trained, unlicensed school staff, under the direct or indirect supervision of the credentialed school nurse (or supervisor of health), may administer epinephrine in the form of an epinephrine auto-injector during a severe, life-threatening allergic reaction. The epinephrine auto-injector rapidly delivers a pre-measured, sterile, single dose of epinephrine by direct injection through the skin. This is not a vaccine, nor does it contain blood products.

PHYSICAL EXAMINATIONS

If you want your child to be exempt from physical examinations at school, file a written statement with the school refusing such an exam. However, when there is a good reason to believe that your child is suffering from a recognized contagious or infectious disease, he/she may be sent home and shall not be permitted to return to school until the contagious or infectious disease does not exist.

SCOLIOSIS SCREENING

Between grades 6 and 8, your child may be screened for scoliosis (curvature of the spine), unless you submit a written denial of consent. (EC49452.5)

VISION & HEARING APPRAISAL

Your student's vision and hearing may be checked by an authorized person unless you present the school a certificate from a physician or optometrist verifying prior testing, or a letter stating it violates your faith in a recognized religious belief. (EC49455, 49452)

SUN PROTECTION

Students, when outdoors, can wear sun protective clothing, including, but not limited to, hats. Students may also apply sunscreen during the day, without a doctor's note or prescription.(EC35183.5)

CONFIDENTIAL MEDICAL SERVICES

According to the Education Code, school authorities may excuse any student in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent/guardian. School districts are permitted to grant such excuses, but are not required to do so. SLOCOE does grant such excuses. (EC46010.1)

MEDICAL & HOSPITAL INSURANCE FOR STUDENTS

SLOCOE does not carry accident or injury insurance on any students. The responsibility for such protection lies with the parents or guardians. Information regarding Medi-Cal or Covered California can be obtained at www.coveredca.com or by calling 800-300-1506.
