The mission of the Grizzly ChalleNGe Charter School is to provide a safe, consistent, structured, educational environment focusing on the success of the whole student. Our voluntary residential high school offers a curriculum that is goal oriented, integrated, cooperative, flexible and designed to meet California State Standards as well as the diverse needs of our at-risk population. Through partnerships with the California National Guard, the business community, and postgraduate educational programs, we prepare students for the transition from high school to employment, higher education, and adult responsibilities.

**Article 1. PREAMBLE**

The term “school site” refers from here on as GCCS.
- 1.2 This agreement is entered into pursuant to Chapter 10.7, Sections 3540-3549.3 of the Government Code, which is referred to hereafter as the “Act.”
- 1.3 Youth Programs, as used in this Agreement, refers to the Federal program for at-risk children served through various programs operated by the National Guard.

No portion of this agreement relates to employees of the National Guard.

**Article 3. MANAGEMENT-RETAINED RIGHTS**

When extended work day minutes cumulatively add up to 2.5 hours, a minimum work day (off at 12:30 pm) will be scheduled collaboratively among the Principal, CTA representative, and the National Guard.
- 10.6 If implementation of an accommodation in teaching conditions for a qualified bargaining unit member would adversely affect any right or rights of another bargaining unit member pursuant to this agreement, the administration and the Board will notify the Association. The Exclusive Representative must make a written demand to bargain the effect within ten (10) days of the notice or the right of the Exclusive Representative to meet and negotiate shall be waived. 1. The employee shall provide notice at least three (3) days prior to the date of the leave to the supervisor

The Employer may, at its discretion, grant an unpaid leave to an employee for one year and issue intent to renew for a second year to allow for a two-year program. At the conclusion of the first year, the additional year may be granted. The length of the leave, including beginning and ending dates, shall be mutually agreed upon by the employee and the Employer. 2. The Catastrophic Leave Committee determines that the employee is unable to work due to the employee's or his/her family member's catastrophic illness or injury.
3. The maximum amount of donated leave shall not exceed five school months.

11.3.2 Requests for Sick Leave Donation: Catastrophic Leave will commence on the same day that the differential sick leave pay calendar begins. The employee will receive full pay, and the employee's differential pay rights will run concurrently with the Catastrophic Leave. An employee who meets the eligibility requirements for Catastrophic Leave may request donation of sick leave from other unit members by submitting a "Catastrophic Leave Request for Donation Form" to the Personnel Department. The request shall clearly specify the circumstances of the catastrophe and the amount of sick leave requested. Appropriate written verification by the treating physician of the catastrophic illness or injury must be included with the request. The unit member should be prepared to provide additional documentation on the nature and severity of the illness or injury, if requested.

1. A committee consisting of two Employer representatives and two representatives appointed by the Association shall be established each fiscal year. One member shall serve as recorder. Minutes shall be kept. The committee shall consider all requests for sick leave donation. The committee may grant, partially grant, or reject a request. All deliberations are confidential and the decisions to grant or deny requests shall require mutual agreement. The decision of the committee is final and not grievable. A written copy of the committee's decision shall be provided to the requesting employee, to the Association, and to the Personnel Department so that the sick leave can be transferred from the unit member donors to the member's account, if necessary.
2. Requesting employees should apply for donated sick leave prior to exhausting regular sick leave. At no time shall donated sick leave be applied to a pay period that has been closed and for which a pay warrant was issued.

3. Donated sick leave shall be established in an individual account for the recipient and will be utilized in a sequence that will use one day from each donor before utilizing the second day from each donor. Unused sick leave will be returned to the donor(s).
4. An employee who uses a donated sick leave day shall be paid at his/her regular daily rate. No distinction shall be made as to the differing pay rates of the donors or recipients.
5. An employee may not receive the benefits of this leave while receiving monies or leave from Workers' Compensation.
6. Catastrophic Leave will commence on the same day that the differential sick leave pay calendar begins. The employee will receive full pay, and the employee's differential pay rights will run concurrently with the Catastrophic Leave.

#### 11.3.3 Donations for Catastrophic Leave

1. Donated sick leave may not be used for industrial illness or injury accident.
2. Donations to the unit member will be made in one day increments.
3. Unit members may only donate five (5) days per school year.
4. A sick leave donor may not donate sick leave that would cause his/her personal accrued sick leave to fall below (10) days.
5. The donor list shall be confidential.

#### 11.4 Family Care and Medical Leave

11.4.1 The GCCS shall provide family and medical leave in compliance with the Family and Medical Leave Act and the parallel California leave of absence statute (Government Code 12945.2). In meeting such statutory obligations, the GCCS will, to the maximum extent permitted by law, credit any paid or unpaid leave status otherwise granted by this Agreement toward said statutory obligations. Thus, the statutory leave will run concurrently with the leave(s) granted pursuant to the other sections of this Article.

11.4.2 Such statutory family and medical leave status includes up to 12 weeks per year (referring to the 12-month period beginning on the date any family and medical leave commences) as leave of absence, due to childbirth, or adoption, commencement of foster care, or infant care of the employee's child, or the serious illness or health condition of the employee, the employee's spouse, the employee's child or the employee's parents. Leave taken for any of these reasons

will be counted against the employee's annual family and medical leave entitlements. Provided, that the State-required leave of absence due to employee disability caused by pregnancy, childbirth and related conditions, is not credited against the 12 weeks of leave. Leave taken to care for a newborn or foster or adopted child must be completed within one year of the birth or placement. Also, in these circumstances, if both spouses are employed by the GCCS, the combined total Family Care and Medical Leave shall be limited to 12 weeks.

- 11.4.3 For the purposes of this section (only), the references to "child" in item 2. Above includes a biological, adopted or foster child, stepchild, legal ward, or other person under 18, or an adult dependant child (one who is incapable of self-care because of mental or physical disability) for whom the employee has primary caregiving responsibility, and the reference to "parent" includes biological, foster or adoptive parent, or any other person who had primary caregiving responsibility for the employee when the employee was a child.
- 11.4.4 The employee must have been employed by the GCCS at least one full year (and provided at least 1,250 hours of service) immediately prior to such leave in order to qualify for the leave.
- 11.4.5 The employee shall make a reasonable effort to schedule any such absence or related medical treatment so as to avoid disruption of the GCCS's operations, and shall give the GCCS at least 30 days' advance notice of such leave plans. However, if the need for such leave is not foreseeable, the employee shall give notice within two business days of learning of the need. Failure to provide timely notice may result in postponement of the Family Care and Medical Leave.
- 11.4.6 The GCCS may require written certification to be issued by the health care provider of the person with the serious health condition, including certification of the date on which the condition commenced, the probably duration of the condition, an estimate of the amount of time the employee is needed to care for the individual, if the leave is due to the serious health condition of a child, spouse or parent, and a statement that the illness warrants the participation of the employee or renders the employee unable to perform his or her job functions. The GCCS may also require medical certification of fitness to return to work. Failure to produce any required certification shall result in denial of Family and Medical Leave. If the GCCS doubts the validity of the certification, it may require that the employee or other disabled person obtain a second opinion of a health care provider selected by the GCCS, at the GCCS's expense. If the two opinions conflict, the GCCS may require a third opinion from a health care provider mutually agreed upon by the GCCS and the employee. The third opinion shall be final and binding on the GCCS and the employee. If the statutory leave is being granted concurrently with another leave under this Article, then the normal contract procedure shall prevail over the above special certification process.

**AGREEMENT BETWEEN THE GRIZZLY CHALLENGE CHARTER SCHOOL BOARD OF DIRECTORS  
AND GRIZZLY EDUCATION ASSOCIATION, CTA/NEA  
July 1, 2018 – June 30, 2021**

- 11.4.7 To the extent required by applicable laws, employees returning from a Family and Medical Leave shall be returned to the same position, or to a position comparable to the position, they occupied prior to their leave.
- 11.4.8 Subject to the above-mentioned “credit” provisions of paragraph 2 above, the employee during this leave shall be entitled to continued coverage under the health insurance plan to the same extent, and subject to the same conditions, as an active employee.
- 11.4.9 If the employee fails to return upon expiration of the leave for a reason other than the continuation, recurrence, or onset of a serious health condition which would itself have met the qualifications for Family and Medical Leave, then the GCCS may recover health insurance premiums paid pursuant to the above leave provisions.
- 11.4.10 Any employee on leave who is under a health plan which requires co-payment must continue payments in a timely fashion in order to qualify for GCCS coverage.

**Article 12. EVALUATION OF CERTIFICATED EMPLOYEES**

12.1 These provisions constitute the procedures to be utilized for the evaluation and assessment of the instructional performance of certificated employees.

12.1.1 The evaluations shall relate to:

- a. The progress of pupils toward the established standards of expected student achievement.
- b. The instructional techniques and strategies used by the employee.
- c. The employee's adherence to curricular objectives.
- d. The performance of non-instructional duties and responsibilities as set forth on adopted evaluation forms.
- e. The establishment and maintenance of a suitable learning environment within the scope of the employee's responsibility.
- f. Compliance with the Employer's rules, regulations, and policies and applicable state and federal laws and regulations.

12.1.2 It is the responsibility of the San Luis Obispo County Superintendent acting as the chief administrative agent or designee to evaluate or provide for the evaluation of each certificated employee.

12.1.3 Evaluation and assessment of certificated employees' competence, pursuant to this article, shall not include the use of publishers' norms established by standardized tests.

12.1.4 See attached (Appendix C).

12.1.5 In the written evaluation, the evaluator shall cite specific qualities, abilities, or deficiencies.

12.1.5.1 Any statement concerning instructional competency by another GCCS Administrator shall be submitted in writing and shall be verified by the evaluator prior to inclusion in the written evaluation.

12.1.5.2 The evaluation conference shall be conducted during non-student contact time unless appropriate supervision is provided.

- 12.1.5.3 Following the evaluation conference, the employee shall sign the evaluation to indicate that it has been reviewed and that the employee has received a copy. The employee's signature does not necessarily signify agreement with the evaluation.
  - 12.1.5.4 The employee may prepare and submit a written response to the written evaluation within 10 workdays of the review.
  - 12.1.5.5 Following the 10-day response period, the evaluation and response, if any, shall be placed in the employee's personnel file.
  - 12.1.5.6 If deficiencies are noted, the evaluator may provide, or the employee may request, further continued periodic observations and conferences.
  - 12.1.5.7 If subsequent remedial actions on the part of the employee sufficiently modify the employee's performance and identified deficiencies to the satisfaction of the evaluator, a notification to that effect shall be attached to the evaluation. Other GCCS administrative personnel may be requested as part of the remediation.
- 12.1.6 All final written formal evaluations are to take place no later than 30 days before the end of the school year of the then current school year. An unsatisfactory evaluation will serve notice that employment for the evaluated employee will terminate at June 30 of the then current school year. Any teacher not meeting GCCS evaluation standards will be notified by March 15 of the current school year that they will not be employed at GCCS for the following school year.
- 12.1.7 No grievance arising under this Article shall challenge the substantive objectives, standards, or criteria determined by the evaluator or Employer, nor shall it contest the judgment of the evaluator; any grievance shall be limited to a claim that the process and procedures of this Article have been violated.
- 12.1.8 Eligible certificated employees will be evaluated at least every five years for personnel who have been employed at least ten years with the GCCS, are highly qualified, as defined in 20 U.S.C. Sec. 7801, and whose previous evaluation rated the employee as meeting or exceeding standards, if the evaluator and certificated employee being evaluated agree. The certificated employee or the evaluator may withdraw consent at any time. (Education Code 44664)

### Article 13. DISCIPLINE AND DISMISSAL

#### 13.1 Just Cause/Due Process

The GCCS may discipline a unit member only for just cause. Discipline shall include warnings, reprimands, or suspensions without pay for less than fifteen (15) working days. Discipline shall not include suspensions for more than fifteen (15) working days.

#### 13.2 Progressive Discipline

13.2.1 The following progressive discipline procedures will be applied except where the serious nature of the offense may require the GCCS to directly impose a written warning, written reprimand, or suspension without pay.

##### 13.2.1.1 Verbal Counseling/Warning

The GCCS shall first issue a verbal counseling/warning before imposing further discipline. Verbal counseling/warning may result in a post-conference summary memorandum. A post-conference summary memorandum will not be placed in the unit member's personnel file.

##### 13.2.1.2 Written Warning

Subject to 13.2.1.1 above, written warnings will not be used unless the unit member has been verbally warned about similar actions within the last twelve (12) months. Written warnings will not be placed in the unit member's personnel file.

##### 13.2.1.3 Written Reprimand

Subject to 13.2.1.2 above, written reprimands will not be used unless the unit member has received a written warning about similar actions within the last twelve (12) months. The unit member will sign the reprimand to acknowledge receipt and a copy may be placed in the unit member's personnel file along with documentation of any existing post conference summary memorandum of the verbal counseling and the written warning, including any responses by the unit member.

##### 13.2.1.4 Suspension Without Pay

Subject to 13.2.1.3 above, suspension will not be used unless the unit member has received a written reprimand about similar actions within the last twelve (12) months. No unit member will be suspended more than fifteen (15) working days during a school year. In all instances, however, the length of a suspension will relate to the severity of the action.

13.3 Notice of Suspension

Notice of Suspension will be made in writing and served in person or by certified mail upon the unit member by the chief administrative agent or designee. A copy will be concurrently provided to the Association president. The notice of suspension will contain:

13.3.1 A statement of the specific acts or omissions upon which the action is based.

13.3.2 A statement of the cause(s) for which action is recommended;

13.3.3 Where applicable, the GCCS section, policy, rule regulation, or directive violated;

13.3.4 Penalty proposed and effective date;

13.3.5 Copies of the documentary evidence upon which the recommendations are based;

13.3.6 A statement of the unit member's right to challenge the proposed action before the GCCS's Board or designee by requesting a hearing pursuant to procedures.

13.3.7. Challenging Suspension and Dismissal: In the event that the unit member wishes to challenge a suspension or dismissal, a written appeal to the GCCS's Board or designee shall be filed within 10 working days of the issuance of the written decision. If the written appeal is not filed within 10 working days, the appeal is automatically denied.

1. The appeal shall contain all materials utilized in the suspension notice (13.3.1 - 13.3.5), including the decision rendered, if any, and a specific and concise statement of the reason for the appeal.
2. No new information, statements, or charges, if known at an earlier level, may be introduced by the suspended employee in any appeal. The issue shall be determined on the basis of one, and only one, set of facts and allegations.
3. The GCCS's Board or designated representative shall meet with the employee within 10 working days of the receipt of the appeal.
4. The GCCS's Board or designee shall, within 10 working days of the meeting, issue a written decision, which shall be final and binding on the parties.
5. Nothing contained herein shall deny an employee the right to seek judicial review.

- 13.4 For cases involving discipline short of suspension, and where full progressive discipline is being utilized, the responsible administrator may impose discipline. If, in the view of the responsible administrator, the nature of the offense justifies omitting one or more step(s) of

progressive discipline, or if the proposed penalty is a suspension without pay, there shall be no discipline imposed until the responsible administrator has reviewed the matter with the Director of Personnel of the San Luis Obispo County Office of Education or designee and until the unit member (and unit member's representative, if requested) has been given the opportunity to be heard by the Director of Personnel of the San Luis Obispo County Office of Education or designee. However, in an emergency situation demanding prompt action an immediate suspension may be imposed with the administrative review to occur as soon as possible thereafter.

- 13.5 Administrative Leave

In the event a unit member is placed on administrative leave without advance notice, a notice conforming to the specifications set forth in 13.3.1 will be sent to the unit member by certified mail addressed to the unit member's last known address, within five (5) days of the unit member's removal from the position, with a copy concurrently provided to the Association president.

- 13.6 Confidentiality

All information or proceedings regarding any actions or proposed actions pursuant to the Article will be kept confidential by the parties to the extent permitted by law.

- 13.7 Dismissal

When corrective means of discipline contained in Article 13 of this Agreement have been exhausted, and in the opinion of the administrative team (consisting of the Area Administrator of the GCCS, Personnel Director of the San Luis Obispo County Office of Education, and chief administrative agent or designee) when further discipline will not lead to correction, the employee may be dismissed. Dismissal may take place at any time during the disciplinary cycle and will be effective immediately. A one-month salary payout will be issued upon a termination notice. The unit member may appeal the dismissal to the Board at a Board meeting in closed session. A written decision of the Board will be given to the appellant and the Association President within 10 working days of the Board meeting or such time a decision is made.

**Article 14. SAFETY AND GENERAL WORKING CONDITIONS**

- 14.1 Safety Considerations: The administration shall not require the employee to work under unsafe conditions or to perform tasks that endanger their health and safety. Upon receipt of a written report regarding an unsafe, hazardous, unhealthy, or potentially dangerous condition, the administration shall investigate the report, and within ten (10) work days communicate the findings to the employee how the findings will be addressed.
- 14.2 Assault/Threat Against an Employee: When an assault or threat of an assault against an employee has been reported to the administration, the administration shall report the incident to the proper law enforcement agency.
- 14.3 Liability Coverage: Employees shall have the same protection from liability and access to appropriate defense as other public school employees, pursuant to Division 3.6 (commencing with Section 810) of the Government Code.
- 14.4 Student Control and Discipline:
  - 14.4.1 A student may be suspended from an employee's class for the day of the suspension and the following day upon consultation with a GCCS administrator or administrative identified designee.
  - 14.4.2 Most students enrolled at GCCS have engaged in conduct that is grounds for suspension or expulsion in their home school districts. Teachers need to be aware of this fact and review student files accordingly.

**Article 15. CONCLUSION**

- 15.1 This agreement represents complete collective bargaining and full agreement by and between the Board and the Association with respect to wages, hours of employment, and all other terms and conditions of employment, which shall prevail during the term or terms hereof. Any matter or subject not herein covered has been satisfactorily adjusted, compromised, or waived by the parties for the duration of this Agreement.
- 15.2 Except as specifically provided elsewhere in this Agreement, the parties expressly waive and relinquish the right to meet and negotiate with respect to any subject or matter, even though such subject or matter may not have been within the knowledge or contemplation of either party at the time they met and negotiated on and executed this Agreement, and even though such subjects or matters may have been proposed and later withdrawn. The foregoing notwithstanding, the parties shall meet and negotiate during the term hereof as required by the express provisions of other articles of this Agreement, and may meet and negotiate on other matters if they mutually desire to do so.
- 15.3 The Board agrees that it will not change any “terms and conditions of employment” (including those contained in Board policy) as defined in the Act during the term of the Agreement.
- 15.4 In the event that any provision or provisions of this Agreement are found to be contrary to law by a court of competent jurisdiction, such provision or provisions of this Agreement shall be severed from this Agreement, but all other provisions of this Agreement shall continue in full force and effect.
- 15.5 The provisions of this Agreement shall prevail over any past practice or procedure. Where a Board policy, published administrative directive, rule, or procedure covers the same subject area as the terms of this Agreement, the specific provisions of this Agreement shall supersede the policy, directive, rule, or procedure and the policy directive, rule, or procedure shall not be applicable to employees.
- 15.6 This Agreement shall be in full force and effect from the date of final ratification by the parties hereto. This Agreement shall remain in full force and effect beyond the expiration date from day-to-day until such time as a new or modified agreement is ratified and approved by the parties. The parties have agreed to extend this Agreement for the period of July 1, 2018 to June 30, 2021. The contract will have annual reopeners for article IX – Health, Dental, Vision, and Life Benefits plus two (2) additional articles each from the Grizzly Challenge Charter School Board of Directors and the Grizzly Education Association, and Salary reopener, beginning with the July 1, 2021 contract year.
