UNIFORM COMPLAINT PROCEDURES

The San Luis Obispo County Board of Education has primary responsibility for insuring that it complies with applicable state and federal laws and regulations governing educational programs. (Education Code 262.3, 48853, 48853.5, 49013, 49069.5, 51225.1, 51225.2, 52075; 5 CCR 4622) The notice shall include complaint process information, as applicable.

The County Superintendent or designee shall annually provide notification of the COE's uniform complaint procedures to students, employees, parents/guardians, school advisory committees, appropriate school officials or representatives, and other interested parties in English and in other languages as required by EC 48985.

PROCEDURES

The following procedures shall be used to address all complaints which allege that the County Office of Education has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with the Code of Regulations, Title 5, Section 4632.

Complaints concerning unlawful discrimination may be filed only by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination.

The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.

STEP 1: FILING OF A COMPLAINT

1. Any individual, public agency or organization may file a written complaint of the COE's alleged noncompliance.
2. The complaint shall be presented to the County Superintendent or designee, who will then give it to the appropriate compliance officer. The County Superintendent or designee will maintain a log of complaints received and provide each with a code number and date stamp.
3. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, Human Resources staff shall assist him/her in the filing of the complaint.
4. Complaints alleging unlawful discrimination may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint must be initiated no later than six months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination. However, upon written request by the complainant, the Superintendent or designee may extend the filing period for up to 90 days.

5. The County Superintendent prohibits retaliation for the filing of a complaint, the reporting of discrimination, or for the participation in complaint procedures. The County Office of Education shall maintain confidentiality of the identity of a complainant alleging discrimination, except to the extent necessary to carry out the investigation or complaint proceedings.

STEP 2: MEDIATION

1. Within three days of receiving the complaint, the compliance officer may informally discuss with the parties the possibility of using mediation. If the parties agree to mediation, the compliance officer shall make all arrangements for this process
2. Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.
3. If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.
4. The use of mediation shall not extend the COE's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such extension of time.

STEP 3: INVESTIGATION OF COMPLAINT

1. Within 10 days of receiving the complaint, the compliance officer shall provide the complainant and/or his/her representative an opportunity to present the complaint and any evidence, or information leading to evidence, to support the allegations in the complaint. The compliance officer also shall collect all documents and interview all witnesses with information pertinent to the complaint.
2. A complainant's refusal to provide the COE's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation.
3. In accordance with law, the COE shall provide the investigator with access to records and/or other information related to the allegation in the complaint [5 CCR 4631].

STEP 4: COE'S RESPONSE

Within 30 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the COE's investigation and decision, as described in Step 5 below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five days, file his/her complaint in writing with the County Board. The County Board may consider the matter at its next regular board meeting or at a special board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The County Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final. If the County Board hears the complaint, the compliance officer shall send the County Board's decision to the complainant within 60 days of the COE's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant.

STEP 5: FINAL WRITTEN DECISION

1. The COE's decision shall be in writing and sent to the complainant. The decision shall be written in English and, when required by Education Code 48985, in the complainant's primary language and shall include the following:

- a. The findings of fact based on the evidence gathered
- b. The conclusion (s) of law
- c. Disposition of the complaint
- d. Rationale for such disposition
- e. Corrective actions, if any are warranted
- f. Notice of the complainant's right to appeal the COE's decision within 15 days to the CDE and procedures to be followed for initiating such an appeal.

2. Decisions concerning a discrimination, harassment, intimidation and bullying complaint based on state law shall include a notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.

3. If investigation of a complaint results in discipline to a student or an employee, the decision shall simply state that effective action was taken and that the student or employee was informed of COE's expectations. The report shall not give any further information as to the nature of the disciplinary action.

CIVIL LAW REMEDIES

Nothing in this policy precludes a complaint from pursuing available civil law remedies that may be available under state or federal discrimination, harassment, intimidation and bullying laws, if applicable, and of the appeal pursuant to EC 262.3, outside of the district's complaint procedures. Such remedies may include mediation centers, public/private interest attorneys, injunctions, restraining orders, etc. For discrimination complaints, however, a complainant must wait until 60 days has elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in a timely manner, apprized the complainant of his/her right to file a complaint.
