

COVID-19 Mobile Vaccine Clinics

The COVID-19 vaccine is one of the most important ways we can protect our community and end the pandemic. Now, you can host a mobile vaccine clinic for your organization or neighborhood.

To host a mobile clinic:

- Contact us at the website below
- Identify individuals who want to receive a COVID-19 vaccine (Age 18+)
- Guarantee 25-200 appointments
- Provide space for the clinic
- Provide shade, chairs and water for the observation area
