Status: ADOPTED

Original Adopted Date: 12/04/2020 | **Last Reviewed Date:** 12/04/2020

The County Superintendent of Schools recognizes the importance of keeping accurate, comprehensive student records as required by law. The County Superintendent of Schools or designee shall establish administrative regulations governing the identification, collection, retention, and security of student records. These regulations shall ensure the rights of authorized persons to have timely access to student records while maintaining the confidentiality of student records consistent with state and federal law.

The County Superintendent of Schools or designee shall designate a certificated employee to serve as custodian of records with responsibility for student records at the COE level. At each school, the principal or a certificated employee shall be designated as custodian of records for students enrolled at that school. The custodian of records shall be responsible for implementing Board policy and administrative regulation regarding student records. (5 CCR 431)

All appropriate personnel shall receive training regarding County Office of Education (COE) policies and procedures for gathering and handling sensitive student information.

The COE shall not collect or solicit social security numbers or the last four digits of social security numbers of students or their parents/guardians, unless otherwise required to do so by state or federal law. (Education Code 49076.7)

No information or documents regarding the citizenship or immigration status of students or their family members shall be collected, except as required by state or federal law or as required to administer a state or federally supported educational program. The County Superintendent of Schools or designee shall not disclose student records to a person, agency, or organization for immigration enforcement purposes without parental consent, a court order, or a judicial subpoena. If a COE employee receives such a request, he/she shall immediately report the request to the County Superintendent of Schools. The County Superintendent of Schools shall report the request to the Board in a timely manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7)

The County Superintendent of Schools or designee shall not compile a list, registry, or database based on students' national origin, ethnicity, or religious belief, practice, or affiliation, nor shall he/she disclose student information to federal government authorities for the purpose of compiling such a list, registry, or database for purposes of immigration enforcement. Such information may only be compiled or exchanged with other local, state, or federal agencies if the information is aggregated and is not personally identifiable. (Government Code 8310.3)

Student Records from Social Media

The County Superintendent of Schools or designee may gather and maintain information from the social media of any COE student, provided that the COE first notifies students and parents/guardians about the proposed program, offers an opportunity for public comment at a regularly scheduled Board meeting, and gathers only information that directly pertains to school safety or student safety. (Education Code 49073.6)

Contract for Digital Storage, Management, and Retrieval of Student Records

The County Superintendent of Schools or designee may enter into a contract with a third party for the digital storage, management, and retrieval of student records and/or to authorize a third party provider of digital software to access, store, and use student records, provided that the contract meets the requirements of Education Code 49073.1 and other applicable state and federal laws.

(Education Code 49076)

De-identification of Records

When authorized by law for any program audit, educational research, or other purpose, the Superintendent or designee may release information from a student record without prior consent of the parent/guardian or adult student after the removal of all personally identifiable information. Prior to releasing such information, the Superintendent or designee shall make a reasonable determination that the student's identity is not personally identifiable, whether through single or multiple releases and taking into account other reasonably available information. (Education Code 49074, 49076; 20 USC 1232g; 34 CFR 99.31)

Process for Providing Access to Records

Student records shall be maintained in a central file at the school attended by the student or, when records are maintained at different locations, a notation shall be placed in the central file indicating where other records may be found. Parents/guardians and adult students shall be notified of the location of student records if not centrally located. (Education Code 49069; 5 CCR 433)

The custodian of records shall be responsible for the security of student records and shall ensure that access is limited to authorized persons. (5 CCR 433)

The custodian of records shall develop reasonable methods, including physical, technological, and administrative policy controls, to ensure that school officials and employees obtain access to only those student records in which they have legitimate educational interests. (34 CFR 99.31)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

When required by law, a student's parent/guardian or an adult student shall provide written, signed, and dated consent before the county office discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. The county office's consent form shall specify the records that may be disclosed, state the purpose of the disclosure, and identify the party or class of parties to whom the disclosure may be made. Upon request by the parent/guardian or adult student, the county office shall provide a copy of the records disclosed. (34 CFR 99.30)

If the parent/guardian or adult student refuses to provide written consent for the release of student information, the Superintendent or designee shall not release the information, unless it is otherwise subject to release based on a court order or a lawful subpoena.

Within five business days following the date of request, the authorized person shall be granted access to inspect, review, and obtain copies of student records during regular school hours. (Education Code 49069)

Qualified certificated personnel shall be available to interpret records when requested. (Education Code 49069)

The custodian of records or the Superintendent or designee shall prevent the alteration, damage, or loss of records during inspection. (5 CCR 435)

Access Log

A log shall be maintained for each student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate educational interest of the requester. (Education Code 49064)

In every instance of inspection by persons who do not have assigned educational responsibility, the custodian of

records shall make an entry in the log indicating the record inspected, the name of the person granted access, the reason access was granted, and the time and circumstances of inspection. (5 CCR 435)

The custodian of records shall also make an entry in the log regarding any request for record(s) that was denied and the reason for the denial.

The log shall include requests for access to records by:

1. Parents/guardians or adult students
2. Students who are 16 years of age or older or who have completed the 10th grade
3. Parties obtaining county office-approved directory information
4. Parties who provide written parental consent, in which case the consent notice shall be filed with the record pursuant to Education Code 49075
5. School officials and employees who have a legitimate educational interest
6. Law enforcement personnel seeking to enforce immigration laws

The log shall be open to inspection only by the parent/guardian, adult student, dependent adult student, custodian of records, and certain state or federal officials specified in Education Code 49064. (Education Code 49064; 5 CCR 432)

Duplication of Student Records

To provide copies of any student record, the county office may charge a reasonable fee not to exceed the actual cost of providing the copies. No charge shall be made for providing up to two transcripts or up to two verifications of various records for any former student. No charge shall be made to locate or retrieve any student record. (Education Code 49065)

Changes to Student Records

De-identification of Records

Parents/guardians and adult students shall be notified of the location of student records if not centrally located. (Education Code 49069; 5 CCR 433)

The custodian of records shall be responsible for the security of student records and shall ensure that access is limited to authorized persons. (5 CCR 433)

The custodian of records shall develop reasonable methods, including physical, technological, and administrative policy controls, to ensure that school officials and employees obtain access to only those student records in which they have legitimate educational interests. (34 CFR 99.31)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

When required by law, a student's parent/guardian or an adult student shall provide written, signed, and dated consent before the county office discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. The county office's consent form shall specify the records that may be disclosed, state the purpose of the disclosure, and identify the party or class of parties to whom the disclosure may be made. Upon request by the parent/guardian or adult student, the county office shall provide a copy of the records disclosed. (34 CFR 99.30)

If the parent/guardian or adult student refuses to provide written consent for the release of student information, the Superintendent or designee shall not release the information, unless it is otherwise subject to release based on a court order or a lawful subpoena.

Within five business days following the date of request, the authorized person shall be granted access to inspect, review, and obtain copies of student records during regular school hours. (Education Code 49069)

Qualified certificated personnel shall be available to interpret records when requested. (Education Code 49069)

Access Log

A log shall be maintained for each student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate educational interest of the requester. (Education Code 49064)

In every instance of inspection by persons who do not have assigned educational responsibility, the custodian of

records shall make an entry in the log indicating the record inspected, the name of the person granted access, the reason access was granted, and the time and circumstances of inspection. (5 CCR 435)

The custodian of records shall also make an entry in the log regarding any request for record(s) that was denied and the reason for the denial.

The log shall include requests for access to records by:

Upon request by the former student, the county office shall reissue any documents conferred upon the former student, including, but not limited to, a transcript, a high school diploma, a high school equivalency certificate, or other similar documents. The county office is not required to modify records that the former student has not requested for modification or reissuance. (Education Code 49062.5)

If the former student's name or gender is changed and the requested records are reissued, a new document shall be added to the former student's file that includes all of the following information: (Education Code 49062.5)

5. The name of the employee who completed the request
6. The current and former names and/or genders of the student
