

Superintendent Policy 3555: Nutrition Program Compliance

Status: ADOPTED

Original Adopted Date: 04/22/2016 | **Last Revised Date:** 08/31/2022 | **Last Reviewed Date:** 08/31/2022

The County Superintendent of Schools recognizes the responsibility of the County Office of Education (COE) to comply with state and federal nondiscrimination laws as they apply to child nutrition programs. The COE shall not deny any individual the benefits or service of any nutrition program or discriminate on any basis prohibited by law.

Compliance Coordinator

The COE shall designate a compliance coordinator for nutrition programs, who may also be the compliance officer(s) specified in the COE's uniform complaint procedures (UCP), to ensure compliance with the laws governing the COE's nutrition programs.

The responsibilities of the compliance coordinator include, but are not limited to:

1. Providing the name of the compliance coordinator, and the Section 504 coordinator and Title IX coordinator if different from the compliance coordinator, to the California Department of Education (CDE) and other interested parties
2. Annually providing mandatory civil rights training to all frontline staff who interact with program applicants or participants and to those who supervise frontline staff

The subject matter of such training shall include, but not be limited to, collection and use of data, effective public notification systems, complaint procedures, compliance review techniques, resolution of noncompliance, requirements for reasonable accommodation of persons with disabilities, requirements for language assistance, conflict resolution, and customer service.

3. Establishing admission and enrollment procedures that do not restrict enrollment of students on the basis of race, ethnicity, national origin, or disability, including preventing staff from incorrectly denying applications and ensuring that such persons have equal access to all programs
4. Sending a public release announcing the availability of the child nutrition programs and/or changes in the programs to public media and to community and grassroots organizations that interact directly with eligible or potentially eligible participants
5. Communicating the program's nondiscrimination policy and applicable complaint procedures, as provided in the section "Notifications" below
6. Providing appropriate translation services when a significant number of persons in the surrounding population have limited English proficiency
7. Ensuring that every part of a facility is accessible to and usable by persons with disabilities and that participants with disabilities are not excluded from the benefits or services due to inaccessibility of facilities
8. Ensuring that special meals are made available to participants with disabilities who have a medical statement on file documenting that their disability restricts their diet
9. Implementing procedures to process and resolve civil rights (discrimination) complaints and program-related complaints, including maintaining a complaint log, working with the appropriate person to resolve any complaint, and referring the complainant to the appropriate state or federal agency when necessary
10. Developing a method, which preferably uses self-identification or self-reporting, to collect racial and ethnic data for potentially eligible populations, applicants, and participants

Notifications

The U.S. Department of Agriculture's (USDA) "And Justice for All" civil rights poster or a substitute poster approved by the USDA's Food and Nutrition Service shall be displayed in areas visible to the COE's nutrition program participants, such as food service areas and school offices.

The COE shall notify the public, all program applicants, participants, and potentially eligible persons of their rights and responsibilities and steps necessary to participate in the nutrition programs. Applicants, participants, and the public shall also be advised of their right to file a complaint, how to file a complaint, the complaint procedures, and that a complaint may be filed anonymously or by a third party.

In addition, all forms of communication available to the public regarding program availability shall contain, in a prominent location, a statement provided by USDA about the COE's status as an equal opportunity provider and the address of the agency with responsibility to handle complaints made against the COE.

Forms of communication requiring this nondiscrimination statement include, but are not limited to, web sites, public information releases, publications, and posters, but exclude items such as cups, buttons, magnets, and pens that identify the program when the size or configuration makes it impractical. The nondiscrimination statement need not be included on every page of program information on the COE's or school's web site, but the statement or a link to the statement shall be included on the home page of the program information.

A short version of the nondiscrimination statement, as provided by USDA, may be used on pamphlets, brochures, and flyers in the same print size as the rest of the text.

Complaints of Discrimination

Pursuant to 5 CCR 15582, a complaint alleging discrimination in the COE's nutrition program(s) on the basis of race, color, national origin, sex, age, or disability shall, within 180 days of the alleged discriminatory act, be filed or referred to USDA at:

U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410, (866) 632-9992, (800) 877-8339 (Federal Relay Service - English, deaf, hard of hearing, or speech disabilities), (800) 845-6136 (Federal Relay Service - Spanish), fax (202) 690-7442, or email program.intake.usda.gov

All other complaints alleging discrimination in any COE child nutrition program shall be investigated and resolved using the COE's UCP.

Complaints Regarding Noncompliance with Program Requirements

A complaint alleging noncompliance with child nutrition program requirements may be filed by a student or the student's parent/guardian by phone, email, or letter. The complaint shall be submitted within one year from the date of the alleged violation and shall include the following: (5 CCR 15581)

1. A statement that the COE has violated a law or regulation relating to its child nutrition program
2. The facts on which the statement is based
3. The name of the COE or the school against which the allegations are made
4. The complainant's contact information
5. The name of the student if alleging violations regarding a specific student

The COE shall investigate and prepare a written report in accordance with 5 CCR 4631. The report shall be sent to the complainant within 60 days of the COE's receipt of the complaint, unless extended by written agreement with the complainant. (5 CCR 4631, 15583)

If the complainant is not satisfied with the findings in the COE's report, the complainant may appeal the decision to CDE by filing a written appeal within 30 days of receiving the decision. (5 CCR 4632)

Any complaint alleging that the COE has not complied with program requirements pertaining to meal counting and claiming, reimbursable meals, eligibility of a child or adult, use of cafeteria funds and allowable expenses shall be

directly filed with or referred to CDE. (Education Code 49556; 5 CCR 15584)

Payments for Meals

The County Superintendent of Schools or designee shall maintain a system for accurately recording payments received and tracking meals provided to each student.

At the beginning of the school year, the County Superintendent of Schools or designee shall communicate the County Office of Education's (COE's) meal payment policies through multiple methods, including, but not limited to:

1. Explaining the meal charge policy within registration materials provided to parents/guardians at the start of the school year
2. Including the policy in print versions of student handbooks, if provided to parents/guardians annually
3. Providing the policy whenever parents/guardians are notified regarding the application process for free and reduced-price meals, such as in the distribution of eligibility forms at the start of the school year
4. Posting the policy on the COE's web site

Reimbursement Claims

The County Superintendent of Schools or designee shall maintain records of the number of meals served each day by school site and by category of free and reduced-price meals. The County Superintendent of Schools or designee shall submit reimbursement claims for school meals to the California Department of Education (CDE) using the online Child Nutrition Information and Payment System.

Donation of Leftover Food

To minimize waste and reduce food insecurity, the COE may provide sharing tables where students and staff may return appropriate unused cafeteria food items to be made available to students during the course of a regular school meal time. If food on the sharing tables is not taken by a student, the school cafeteria may donate the food to a food bank or any other nonprofit charitable organization. (Health and Safety Code 114079)

Food that may be donated includes prepackaged, nonpotentially hazardous food with the packaging still intact and in good condition, whole uncut produce that complies with Health and Safety Code 113992, unopened bags of sliced fruit, unopened containers of milk that are immediately stored in a cooling bin maintained at 41 degrees Fahrenheit or below, and perishable prepackaged food if it is placed in a proper temperature-controlled environment. The preparation, safety, and donation of food shall be consistent with Health and Safety Code 113980. (Health and Safety Code 114079)

Cafeteria Fund and Account

All proceeds from food sales and other services offered by the cafeteria shall be deposited in the cafeteria fund as provided by law. (Education Code 38090, 38093)

The cafeteria fund shall be used only for those expenditures authorized by the County Board of Education as necessary for the operation of school cafeterias in accordance with Education Code 38100-38103, 2 CFR Part 200 Appendix VII, and the California School Accounting Manual.

The COE may use cafeteria funds to supplement the provision of a nutritionally adequate breakfast and/or lunch to COE students when permitted by law.

Any charges to, or transfers from, a food service program shall be dated and accompanied by a written explanation of the purpose of and basis for the expenditure. (Education Code 38101)

Indirect costs charged to the food service program shall be based on either the COE's prior year indirect cost rate as approved by CDE or the statewide average approved indirect cost rate for the second prior fiscal year, whichever is

less. (Education Code 38101)

Net cash resources in the nonprofit school food service shall not exceed three months' average expenditures. (7 CFR 210.14, 220.7)

U.S. Department of Agriculture Foods

The COE shall provide facilities for the storage and control of foods received through the U.S. Department of Agriculture (USDA) that protect against theft, spoilage, damage, or other loss. Such storage facilities shall maintain donated foods in sanitary conditions, at the proper temperature and humidity, and with adequate air circulation. The COE shall comply with all federal, state, or local requirements related to food safety and health and procedures for responding to a food recall, as applicable, and shall obtain all required health inspections. (7 CFR 250.14)

The County Superintendent of Schools or designee shall maintain inventories of USDA foods in accordance with 7 CFR 250.59 and CDE procedures, and shall ensure that foods are used before their expiration dates.

USDA donated foods shall be used in school lunches as far as practicable. USDA foods also may be used in other nonprofit food service activities, including, but not limited to, school breakfasts or other meals, a la carte foods sold to students, meals served to adults directly involved in the operation and administration of the food service and to other school staff, and training in nutrition, health, food service, or general home economics instruction for students, provided that any revenues from such activities accrue to the COE's nonprofit food service account. (7 CFR 250.59)

Contracts with Outside Services

The term of any contract for food service management or consulting services shall not exceed one year. Any renewal of the contract or further requests for proposals to provide such services shall be considered on a year-to-year basis. (Education Code 45103.5; 7 CFR 210.16)

Any contract for management of the food service operation shall be approved by CDE and comply with the conditions in Education Code 49554 and 7 CFR 210.16 as applicable. The COE shall retain control of the quality, extent, and general nature of its food services. (Education Code 49554; 42 USC 1758; 7 CFR 210.16)

Any contract for consulting services shall not result in the supervision of food service classified staff by the management consultant, nor shall it result in the elimination of any food service classified staff or position or have any adverse effect on the wages, benefits, or other terms and conditions of employment of classified food service staff or positions. All persons providing consulting services shall be subject to applicable employment conditions related to health and safety as listed in Education Code 45103.5. (Education Code 45103.5)
