Our Coaches

Coaches are hand selected by 21CSLA staff to provide the best quality professional development for eager teachers and administrators. Coaches are either active or retired educators from the ValCo region and are trained on issues of equity, diversity and inclusion. Coaches approach their work not to prescribe solutions; instead, they will guide you on developing your own plans of action based on your individual needs and interests.

Eligibility

Participants must be a K-12 teacher or administrator working in Santa Barbara County. Teachers must be 100% fully released and administrators must have a clear Administrative Service Credential.
