California Education Code (“Ed Code”) §5145.6 requires that parents receive annual notification of information of their rights and responsibilities. Please take time to review the following information. If you would like clarification on any of the following notifications please contact the administrator of your child’s San Luis Obispo County Office of Education (SLOCOE) program or school.

ENROLLMENT

ATTENDANCE OPTIONS

SLOCOE offers a variety of educational programs to support local school districts and families. Loma Vista Community School, Court School, and Special Education do not have residency requirements, but work collaboratively with local districts and/or probation or law enforcement with regard to enrollment. Parents/guardians may contact their student’s school or district of residence for more information about the available statutory and local attendance options, including information regarding application procedures for alternative attendance areas or programs and District application form(s) for requesting a change of attendance, and for information regarding the appeals process, if any, when a change of attendance is denied. Ed. Code § 48980(g).

SPECIFIC SCHOOL REQUEST

Parents/guardians have the right to request a specific school and to receive a response. Such a request does not obligate the school to grant the request. Ed. Code § 51101(a)(6).

INTERDISTRICT TRANSFERS AND PROCEDURES

The law allows two or more districts to enter into an agreement for the transfer of one or more students for a period of up to five years. New agreements may be entered into for additional periods of up to five years each. The agreement must specify the terms and conditions under which transfers are permitted. Districts of residence may not deny a transfer of a student whose parent is active duty military where the district of proposed enrollment approves the application, or for students who are the victim of an act of bullying unless the requested school is at maximum capacity. The law on interdistrict transfers also provides for the following: If either district denies a transfer request, a parent may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision. Ed. Code §46600 et seq.

ATTENDANCE WHERE CAREGIVER RESIDES

If your child lives in the home of a care-giving adult, as defined by law, your child may attend the school district in which that residence is located. Execution of an affidavit under penalty of perjury pursuant to the Family Code by the care-giving adult is required to determine that your child lives in the caregiver’s home. Ed. Code § 48204(a)(5); Family Code §§ 6550, 6552.

ATTENDANCE BASED ON PARENT/GUARDIAN’S PLACE OF EMPLOYMENT

A pupil complies with the residency requirements for school attendance in a school district, if the pupil’s parent or guardian resides outside the boundaries of that school district but is employed and lives with the pupil at the place of his/her employment within the boundaries of the school district for a minimum of 3 days during the school week. Ed. Code § 48204(a).

A pupil may also be deemed a pupil having complied with the residency requirements for school attendance in a school district if at least one parent/guardian is physically employed within the boundaries of that district for a minimum of 10 hours during the school week. Ed. Code § 48204(b).

STUDENTS OF ACTIVE MILITARY PARENT/GUARDIAN

A child shall be deemed to meet the residency requirements for school attendance in the school district, if he or she is a student whose parent/guardian is transferred, or is pending transfer to a military installation within the state while on active military duty pursuant to an official military order, and the student’s parent/guardian has provided proof of residence in the school district within 10 days after the published arrival date provided on official documentation. Ed. Code § 48204.3

A school district of residence must allow a child of an active duty military family to transfer to a school district of proposed enrollment if the school district of proposed enrollment approves the interdistrict transfer application. The school district that accepts the transferring student must provide transportation assistance if the student is eligible for free or reduced-price meals, and otherwise may provide transportation assistance to transferring students of active duty military families, if requested by the parent or guardian.

VICTIMS OF BULLYING

School districts must approve the request of a bullying victim, as defined, to transfer to another school within the district. If the requested school is at capacity, the school district must accept a request for an alternate site. If the school district of residence has only one school available, the school district of residence must honor the student's interdistrict transfer request if the school district of proposed enrollment approves the transfer.

RESIDENCY RETENTION WHEN A PARENT/GUARDIAN IS DETAINED OR DEPORTED

Students retain residency in a school district, regardless of the students' current residency, when both of the following requirements are met: a) the student's parent or guardian has departed California against his or her will, and the student can provide official documentation evidencing the departure; and b) the student moved outside of California as a result of his or her parent or guardian leaving the state against his or her will, and the student lived in California immediately before moving outside the state. The student must provide evidence of enrollment in a California public school immediately before moving outside the state.

Deported parents may designate another adult to attend school meetings and to serve as an emergency contact. No charges or fees of any kind may be required for admission or attendance in these circumstances.

This law applies to parents who are: (1) in the custody of a government agency and are transferred to another state; (2) subject to a lawful removal order and who were removed or were permitted to leave California voluntarily before being removed; and (3) subject to any additional circumstances consistent with these purposes, as determined by the school district.

NOTICE OF ALTERNATIVE SCHOOLS

California state law authorizes all school districts to provide for alternative schools. Ed. Code § 58500 defines an alternative school as a school or separate class group within a school which is operated in a manner designed to:

- Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility and joy.
- Recognize that the best learning takes place when the student learns because of this desire to learn.
- Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may result wholly or in part from a presentation by his teachers or choices of learning projects.
- Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. The opportunity shall be a continuous, permanent process.
- Maximize the opportunity for students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent/guardian, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this school district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. Contact the school for more information. Ed. Code §§ 58500; 58501.

FOSTER CHILDREN

Foster children must be allowed to continue their education at their school of origin. When a student's foster student status is terminated by the juvenile court during the school year, former foster students in grades K-8, must be allowed to finish the school year in his/her school of origin. Former foster students in high school must be allowed to continue attending their schools of origin through graduation.

OPEN CAMPUS

SLOCOE schools are closed campus schools.

MIGRATORY CHILDREN-RESIDENCY RETENTION

Currently migratory children, who are enrolled in a school due to a parent's or immediate family member's temporary or seasonal employment in an agricultural or fishing activity, as defined by Education Code section 48204.7, must be allowed to continue in their schools of origin for the duration of their status as migratory children. If/when a student's status as a migratory

child changes during the school year, the school district must: (1) allow K-8th graders to continue in their schools of origin for the remainder of that school year; and (2) allow 9-12th graders to continue in their schools of origin through graduation.

Migratory children and their parents/guardians must be informed of the impact that remaining in their schools of origin will have on their eligibility to receive migrant education services.

PERSISTENTLY DANGEROUS SCHOOLS

Students attending a persistently dangerous public elementary or secondary school, as determined by the State, or a student who becomes a victim of a violent criminal offense while on school grounds, must be allowed to attend a safe public school within the district, including a public charter school.

TEMPORARY DISABILITY

If, due to a temporary disability, your child is placed in a hospital or other residential facility, excluding a state hospital, which is located outside of SLOCOE district boundaries, your child shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. If this situation should arise, you should notify both the SLOCOE and the district where the hospital is located so that individualized instruction, if possible, can be provided. The district has five working days to notify the parent if individualized instruction shall be made available. If the determination is positive, individualized instruction shall commence within five days.

TEMPORARY DISABILITY/INDIVIDUALIZED INSTRUCTION

A child with a temporary disability has the right to receive individual instruction if attendance at school is impossible or inadvisable and to be informed of your obligation to notify the District of your child's presence in a qualifying hospital. Individual instruction may be provided at your child's home, in a hospital or other residential health facility.

LANGUAGE ACQUISITION PROGRAMS

SLOCOE is required to provide a Structured English Immersion (SEI) program option. If you choose this option your child will be placed in a classroom that uses mostly English for instruction. All programs include English Language Development (ELD) and teaching strategies differentiated for each student's level of English language proficiency. These strategies are used to help each student reach proficiency in speaking, reading and writing English, and succeed academically in all core subjects.

REQUESTING A LANGUAGE ACQUISITION PROGRAM

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible, and provides instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards (EC Section 306[c]). Parents/Guardians may choose a language acquisition program that best suits their child. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible. (EC Section 310[a])

DESCRIPTION OF PROGRAM OPTIONS AND GOALS FOR ENGLISH LEARNERS

A description of language acquisition programs is listed below. Please contact the district administrator at the number below if you would like to discuss another program option that best suits your child.

- ☐ Mainstream Classroom: Students are enrolled in a mainstream classroom in which all classroom instruction is provided in English, but with regular integrated and designated ELD and Title 1 or paraprofessional support, as necessary. Students have full access to grade level academic subject matter content.
- ☐ Structured English Immersion (SEI) Program: A language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.
- ☐ Other Instructional Setting SLOCOE Special Education Program (IEP): Students in a special education/ special day class setting are taught primarily in English. Some assistance may be provided in the primary language. Students are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplemental materials. Instruction is based on ELD and grade-level content standards.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. Public meeting agendas are posted prior to each meeting. If interested in a program not listed above, please contact the Assistant Superintendent of Student Programs and Services at (805) 782-7321 to ask about alternative options.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. (20 U.S.C Section 6318[c][A][vii]) However, LEAs remain obligated to provide the student meaningful instruction (5 CCR Section 11302) until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

MINIMUM DAYS/PUPIL-FREE STAFF DEVELOPMENT DAYS

The COE will notify parents/guardians of its minimum days and staff development days at least one month in advance. The dates known at press time are included on school calendars and on the website. Ed. Code § 48980(c).

DEFINITION OF A TRUANT

Any pupil who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or to the superintendent of the school district. Ed. Code. § 48260(a).

SUBSEQUENT REPORT OF TRUANCY

Any pupil who has once been reported as a truant and who is again absent from school without valid excuse one or more days or tardy on one or more days, shall again be reported as a truant to the attendance supervisor or the superintendent of the district. Ed. Code § 48261.

DEFINITION OF A HABITUAL TRUANT

A pupil is deemed a habitual truant when the pupil has been reported as a truant three or more times per school year, provided that no pupil shall be deemed a habitual truant unless an appropriate district officer or employee has made a conscientious effort to hold at least one conference with a parent or guardian of the pupil and the pupil. HABITUAL TRUANT MANDATES & INTERVENTIONS

The law requires that after a student has been reported as a truant three or more times in one school year and after an appropriate school employee has made a conscientious effort to hold at least one meeting with the parent and the student, the student is deemed a habitual truant. When a student is a habitual truant, or is irregular in attendance at school, or is habitually insubordinate or disorderly during school, the student may be referred to a School Attendance Review Board ("SARB") Hearing. Ed. Code § 48263.

PRE-SARB CONFERENCE

Pre-SARB conferences are informational meetings designed to ensure you and your child are aware of the current laws related to school attendance and the consequences for parents and children when a student fails to attend school regularly. The meeting will be scheduled with a parent or guardian, the student, an administrator or designee, and may also include a probation officer assigned as the school's truancy officer or other support staff. The goal of this meeting is to increase positive student attendance, thereby preventing a referral to SARB or any serious legal consequences.

SARB HEARING

SARB hearings are formal proceedings intended to provide solutions for students who fail to respond to the normal avenues of school intervention. The directives ordered by SARB are designed to divert students with serious attendance and/or behavioral problems from the juvenile justice system and to reduce the number of students who drop out of school. The hearing will be scheduled with a parent or guardian, the student, and a district administrator or designee. Members of the Board may include, but are not limited to, representatives from SLOCOE, County Probation Department, District Attorney's Office, Department of Social Services, Department of County Mental Health, Court and Community School, Local Law Enforcement, Family Resource Center, and other community-based youth service agency/organizations that may be appropriate. Results of the hearing may include, but are not limited to, referrals to the County Truancy Board or the District Attorney's office, adjustments in school placement or program, or participation in counseling or parenting classes.

NOTIFICATION OF TRUANCY TO PARENT(S) OR GUARDIAN(S)

- h) That it is recommended that the parent or guardian accompany the pupil to school and attend classes with the pupil for one day.

FORMER JUVENILE COURT SCHOOL STUDENT GRADUATION REQUIREMENTS

School districts and county offices must exempt former juvenile court school students, who have transferred into a school district from a juvenile court school after completion of their second year of high school, from local graduation requirements that exceed state requirements and accept coursework satisfactorily completed while attending the juvenile court school, even if the student did not complete the entire course, and grant full or partial credit for courses earned while in juvenile court school. Former juvenile court school students may file complaints of non-compliance with these requirements under the District's Uniform Complaint Procedures.

When deciding whether to decline the diploma, the county office of education must advise the student, or if a minor, his/her educational rights holder, whether the student is likely to do all the following upon his/her release from a juvenile detention facility:

- a) Enroll in a school operated by a LEA or charter school;
- b) Benefit from continued instruction; and
- c) Graduate from high school. Ed. Code § 48645.7(c)

Complaints of non-compliance may be filed with the District/County Office of Education/LEA under their Uniform Complaint Procedures. A complainant not satisfied with the District/County Office of Education/LEA's decision may appeal to the California Department of Education (CDE) and receive a written decision regarding the appeal within 60 days of the CDE's receipt of the appeal.

GRADUATION AND COURSEWORK FOR CHILDREN OF MILITARY FAMILIES

Within 30 calendar days of the transfer of a child living in the household of an active duty military service member who may qualify for exemptions from local graduation requirements, the receiving school district must notify the student and his/her parent or guardian of the availability of the following exemptions and whether the student qualifies:

- a) For students transferring any time after the completion of the student's second year of high school, exemption from local graduation requirements that exceed statewide coursework requirements, unless the school district makes a finding that the student is reasonably able to complete the school district's required coursework for graduation in time to graduate from high school by the end of the student's fourth year of high school. (Ed. Code § 51225.1 (a)):
- b) For students deemed reasonably able to complete the school district's graduation requirements within the student's fifth year of high school, the school district must do all of the following (Ed. Code § 51225.1 (b)):
 - 1) Inform the student of the option to remain in school for a fifth year to complete the school district's graduation requirements;
 - 2) Inform the student, and the student's educational rights holder, about how remaining in high school for a fifth year to complete graduation requirements will affect the student's ability to gain admission to college;
 - 3) Provide information to the student about transfer opportunities available through California Community Colleges; and
 - 4) Upon agreement of an adult student or a minor student's educational rights holder, permit the student to stay in school for a fifth year to complete the school district's graduation requirements. (Ed. Code § 51225.1 (b).)
- c) Students eligible for the exemption from local graduation requirements under this section have the following additional rights:
 - 1) To be notified by the school district regarding how the waiver of graduation requirements will affect the student's ability to gain admission to college and to receive information about transfer opportunities available through California Community Colleges. The student's educational rights holder must also receive this notice. (Ed. Code § 51225.1 (f));
 - 2) Students eligible for the exemption may not be required to accept the exemption or be denied enrollment in, or the ability to complete, courses for which s/he is otherwise eligible, including courses necessary to attend college, regardless of whether those courses are required under statewide graduation requirements. (Ed. Code § 51225.1 (g));
 - 3) Students previously denied the exemption from local graduation requirements must be exempted upon request if they later qualify for the exemption. (Ed. Code § 51225.1 (h)); once exempted, the exemption may not be revoked. (Ed. Code § 51225.1 (i));
 - 4) The exemption will continue to apply after: (1) a student transfers to another school or school district; or (2) a student no longer meets the "child of military family" definition. (Ed. Code § 51225.1 (j)); and
 - 5) Students may not be required to transfer schools in order to qualify for an exemption under this section. (Ed. Code § 51225.1 (k));-Transfer requests may not be made on a student's behalf solely to qualify the student for an exemption under this section. (Ed. Code § 51225.1 (l)).

Students exempted from local graduation requirements who complete statewide coursework requirements before the end of their fourth year of high school may not be required or asked to graduate before the end of their fourth year of high school, if otherwise entitled to remain in attendance. (Ed. Code § 51225.1 (e).)

If the school district fails to provide timely notice of these rights, the student will be eligible for the local graduation requirements exemption even after the student no longer lives in the household of an active duty military service member, if the student otherwise qualifies for the exemption. (Ed. Code § 51225.1 (d)(4).)

Coursework Acceptance Requirements

- a) School districts and county offices of education must accept coursework satisfactorily completed while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school, even if the student did not complete the entire course and must issue full or partial credit for the coursework completed. For students living in active duty military households, “public schools” include schools operated by the United States Department of Defense. (Ed. Code § 51225.2 (b));
- b) Students may not be required to retake a course satisfactorily completed elsewhere. (Ed. Code § 51225.2 (b));
- c) If the student did not complete the entire course taken elsewhere, the student may not be required to retake the entire course, unless the school district or county office of education, in consultation with the student’s educational rights holder, finds that the student is reasonably able to complete the entire course in time to graduate from high school. Students must be allowed to enroll in the same or equivalent course in order to continue and complete the entire course. (Ed. Code § 51225.2 (d)); and
- d) Students may not be prevented from retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Ed. Code § 51225.2 (e))

Complaints of non-compliance with graduation and coursework acceptance requirements for students living in military households may be filed with the District under the District's Uniform Complaint Procedures. A complainant not satisfied with the District's decision may appeal to the California Department of Education (CDE) and receive a written decision regarding the appeal within 60 days of the CDE’s receipt of the appeal.

COMMUNICATIONS REGARDING PUPIL ACHIEVEMENT

SLOCOE believes good communication between parents and teachers is important in the educational process. All appropriate forms of communication should be used. The progress report should reflect student progress in class work and proficiency levels and indicate educational growth in relation to the students’ ability, citizenship, and effort. Parents/guardians shall be notified when a teacher has determined that your child is in danger of failing a course. Ed. Code § 49067.

TEACHER QUALIFICATIONS

A provision of Federal Title I requires all districts to notify parents and guardians of children in Title I schools that they have the right to request and receive timely information on the professional qualifications of classroom teachers and paraprofessionals including state qualifications, licensing for the grade level or subject taught, any waivers for qualifications, emergency provisions, college major, graduate degrees and subject, and if paraprofessionals or aides, are in the classroom and what their qualifications are. (No Child Left Behind (NCLB)) To request information contact Thomas Alvarez, Director of Human Resources at talvarez@slococoe.org or 805-782-7233.

CAREER TECHNICAL EDUCATION

Career Technical Education courses to serve as an alternative to the performing arts or foreign language courses currently required for high school graduation. The COE provides the following courses: Introduction to Hospitality / Tourism / Recreation.

SPECIAL EDUCATION

A student shall be referred for possible special educational eligibility, only after the resources of the general education program have been considered and modified in an attempt to meet the student's needs. If a student is referred to special education, parents will receive a notification of Procedural Safeguards and an explanation of the proposed assessments. If consented to, following the completion of the assessments, a written report will be compiled. The results of the assessment will be discussed at an Individual Education Program (IEP) meeting. At the IEP meeting, the team will determine if the student meets eligibility for special education. If the student meets eligibility, a plan will be developed, which will be reviewed at least annually. The District provides special education services, as described in Ed. Code (56000-56001). The District offers a continuum of special education services and placements through the District's learning centers, special day classes and other support services. Students with exceptional needs have a right to a free appropriate public education.

Parents have the right to be informed of County programs for students with exceptional needs, including your right to have your child placed in an "appropriate" program, and to be consulted about the assessment and placement of your child. Students with exceptional needs have a right to a free appropriate public education.

ADVANCED PLACEMENT EXAMINATION FEES

A school district may help pay for all or part of the costs of one or more advanced placement examinations that are charged to economically disadvantaged pupils. Ed. Code § 522421.

STANDARDS OF PROFICIENCY IN BASIC SKILLS

The COE has adopted student basic skills standards of proficiency as required by law. Skills shall include, but are not limited to, reading comprehension, writing, and computation skills. All skills should be articulated across the grade levels pursuant to Ed. Code §49063(K). Parents may request to meet to review instructional materials and to discuss the curriculum.

CALIFORNIA HIGH SCHOOL PROFICIENCY EXAM

Requires the principal of a school maintaining grades 11 and 12 to distribute an announcement explaining the California High School Proficiency Examination provided under Ed. Code § 48412. Notification to be made in time sufficient to enable interested pupils to meet examination registration requirements for fall tests of that year.

The California High School Proficiency Exam (CHSPE) is a voluntary test that assesses proficiency in basic reading, writing, and mathematics skills taught in public schools. Eligible pupils who pass the CHSPE are awarded a Certificate of Proficiency by the State Board of Education. A pupil who receives a Certificate of Proficiency may, with verified approval from the parent or legal guardian, leave high school early. The Certificate of Proficiency is equivalent to a high school diploma; however, it is not equivalent to completing all coursework required for regular graduation from high school. Pupils planning to continue his or her studies in a college or university should contact the admissions office of the institution to find out if the Certificate of Proficiency will meet admission requirements. A pupil is eligible to take the CHSPE only if he or she meets one of the following requirements on the test date: 1) is at least 16 years old; 2) has been enrolled in the tenth grade for one academic year or longer; or 3) will complete one academic year of enrollment in the tenth grade at the end of the semester during which the CHSPE regular administration will be conducted. A fee for each examination application shall not be charged to a homeless or foster youth under the age of 25. For more information, including administration dates and registration deadlines, visit the following website: <http://www.chspe.net/>.

EXEMPTION FROM CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

Each year, parents and guardians will be notified regarding their student's participation in the CAASPP assessment system. Parents and guardians wanting to excuse their children from any or all parts of the CAASPP must submit a written request. Such written requests must be submitted to the school on an annual basis.

CAL GRANT PROGRAM

By January 1st of a pupil's grade 11 academic year, a school district or charter school must provide written notice to each grade 11 pupil and, for a pupil under 18 years of age, his or her parent or guardian that the pupil will be automatically deemed a Cal Grant applicant unless the pupil opts out. The deadline to opt out must not be less than 30 days from the date of the notice. Until a pupil turns 18 years of age, only a parent or guardian may opt the pupil out. Eleventh graders who are 18 years or older and parents/guardians of minor 12th 11th graders may contact Katherine Aaron, Assistant Superintendent at (805) 805-782-7321 or kaaron@slococoe.org. if they do not want their grade point average reported to the California Student Aid Commission (CSAC) for purposes of the Cal Grant Program. SLOCOE schools plan to first submit senior GPAs electronically to the CSAC on October 1, 2021.

A Cal Grant is money for college that does not have to be paid back. To qualify, a student must meet the eligibility and financial requirements as well as any minimum grade point average (GPA) requirements. Cal Grants can be used at any University of California, California State University or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

Ed. Code § 32255.1

STUDENT

EDUCATIONAL RIGHTS OF HIGH MOBILITY HIGH SCHOOL STUDENTS WHEN CHANGING SCHOOLS AFTER THEIR SECOND YEAR OF HIGH SCHOOL

High school "high mobility" students, which include students in foster care, homeless, recent immigrants, migrant students, former juvenile court school pupils and students from military families, have the following rights when transferring to a new school after their second year of high school:

- Have the option to be exempted from all coursework and other requirements that are more than statewide course requirements for graduation, unless the local educational agency (LEA) makes a finding that the student is reasonably able to complete the LEA's graduation requirements in time to graduate by the end of the fourth year of high school;
- Have the option of attending a fifth year of high school in order to complete statewide graduation course requirements;
- To consult with school staff and the student's educational rights holder regarding other options available to the student, such as: (1) a fifth year of high school; (2) transfer opportunities available through California Community Colleges; and (3) possible credit recovery.

The consultation must also include a discussion of how remaining for a fifth year of high school or accepting an exemption from the local graduation coursework requirements may potentially impact the student's vocational plans or ability to gain

admission to college, and also take into consideration the student's academic record and any other information relevant to make an informed decision. Ed. Code § 51225.1, subd. (b)(1), (2), and (3) and subd. (f)(1)-(3)

FOSTER AND HOMELESS YOUTH

The McKinney-Vento Homeless Assistance Act for Homeless Children and Youth entitles all homeless school-aged children to the same free and appropriate public education that is provided to non-homeless students. Every school district must appoint a liaison to assist these students. The liaison must ensure parents of homeless pupils are informed of educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.

A homeless student is defined as a person between the ages of birth (Early Head Start and Head Start Programs) and twenty-two (special education students) who lacks a *fixed, regular, and adequate* nighttime residence and may temporarily:

- Live in a shelter; abandoned building, in a car, or other facility not designed as a regular sleeping accommodation for human beings;
- Live “doubled-up” with another family, due to loss of housing stemming from financial problems (e.g., loss of job, eviction or natural disaster);
- Live in a hotel or motel;
- Live in a trailer park or campsite with their family;
- Have been abandoned at a hospital;
- Be awaiting foster placement in limited circumstances;
- Reside in a home for school-aged, unwed mothers or mothers-to-be if there are no other available living accommodations;
- A house or apartment with more than one family because of economic hardship or loss;
- On the street;
- In temporary foster care or with an adult who is not your parent or guardian,
- In substandard housing;
- With friends or family because you are a runaway or unaccompanied youth; or
- Be abandoned, runaway, or pushed out youth or migrant youth that qualifies as homeless because he/she is living in circumstances described above.

A homeless student has the right to attend either the *school of origin, defined as the school that the student was last enrolled or attended when last housed or any school attended in the past fifteen (15) months*; or the *current school of residence*. If a dispute arises over school selection or enrollment, the parent/guardian has the right to dispute the school's decision by contacting the district's homeless liaison and following the district's dispute resolution policy.

The law requires the immediate enrollment of homeless students, which is defined as “attending class and participating fully in school activities”. Schools cannot delay or prevent the enrollment of a student due to the lack of school or immunization records *or other documentation usually required for enrollment*. It is the responsibility of the district homeless liaison to refer parents to all programs and services for which the student is eligible. Referrals may include, but are not limited to: free nutrition, special education services, tutoring, English Language Learners programs, Gifted and Talented Education program, preschool, before and after school services or any other program offered by the school or district. The district shall ensure that transportation is provided, at the request of the parent/guardian/unaccompanied homeless youth, to and from the school of origin, if feasible.

Unaccompanied youth; such as teen parents not living with their parent or guardian or students that have run away or have been pushed out of their homes, have access to these same rights.

RIGHTS OF HOMELESS STUDENTS AND STUDENTS IN FOSTER CARE

The district's uniform complaint procedures cover complaints pertaining to the education of foster and homeless children, including, but not limited to, a school district's failure to:

- 1) When a school placement dispute arises, allow a foster or homeless child to remain in his/her school of origin;
- 2) Place a foster child or homeless student in the least restrictive educational programs and provide access to academic resources and services and extracurricular and enrichment activities available to all students and make educational and school placement decisions based on the best interests of the child;
- 3) Provide educational services for foster children and homeless students living in emergency shelters;
- 4) Designate a staff person as the educational liaison for foster children and homeless students. The educational liaison must ensure and facilitate the proper educational placement, enrollment in school, and checkout from school of foster

- children, and assist foster children when transferring from one school or one district to another by ensuring the proper transfer of credits, records and grades;
- 5) Compile and transfer the complete educational record, including full or partial credits earned and the current classes and grades, of a transferring foster child to the next educational placement;
 - 6) Ensure the proper and timely transfer between schools of students in foster care;
 - 7) Within two business days of receipt of a transfer request or notification of enrollment from the new local educational agency, transfer the foster student and deliver the foster student's complete educational information and records to the next educational placement;
 - 8) Ensure that no lowering of grades will occur as a result of a foster student's absence due to a change in placement by a court or placing agency or due to a verified court appearance or related court activity;
 - 9) Notify foster and homeless students transferring after the completion of the 2nd year of high school, within 30 days of the transfer, that they may be exempt from local graduation requirements and that this exemption continues after the court's jurisdiction over a foster child ends or when a homeless student is no longer homeless;
 - 10) Accept coursework satisfactorily completed by a foster child or homeless student, even if the student did not complete the entire course, and failing to issue full or partial credit for the coursework completed.
 - 11) School districts may not require that a homeless student or a student in foster care retake a course if the student has satisfactorily completed the entire course in a public school, a juvenile court school or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the school district may not require that the student retake the portion already completed, unless the school district, in consultation with the holder of the student's educational rights, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the student must be enrolled in the same or equivalent course in order to continue and complete the entire course;
 - 12) A student in foster care or a homeless student may not be prevented from retaking or taking a course to meet the eligibility requirements for admission to the California State University or the University of California;
 - 13) Exempt a homeless or student in foster care transferring between schools at any time after the completion of his/her second year of high school from all coursework and other requirements adopted by the district's governing board that are in addition to the statewide coursework requirements for graduation found in Education Code section 51225.3, unless the district makes a finding that the student is reasonably able to complete the district's graduation requirements in time to graduate from high school by the end of the student's fourth year of high school;
 - 14) Within 30 calendar days of the school transfer, the school district must notify a student in foster care or a homeless student who may qualify for the exemption from local graduation requirements, the person holding the right to make educational decisions for the student, the foster student's social worker or probation officer, and, in the case of homeless students, the school district's liaison for homeless students, of the availability of the exemption from local graduation requirements and whether the student qualifies for the exemption;
 - 15) If the school district determines that a student in foster care or a homeless student is reasonably able to complete the district's graduation requirements within the student's fifth year of high school, the district must do all of the following:
 - a. Inform the student of his/her option to remain in school for a fifth year to complete the school district's graduation requirements;
 - b. Inform the student, and the person holding the right to make educational decisions for the student, about how remaining in school for a fifth year to complete the school district's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution;
 - c. Provide information to the student about transfer opportunities available through the California Community Colleges;
 - d. Upon agreement with an adult student or upon agreement with the person holding the right to make educational decisions for a student under 18 years of age, permit the student to stay in school for a fifth year to complete the school district's graduation requirements;
 - 16) If a student in foster care or a homeless student is exempted from local graduation requirements and completes the statewide graduation coursework requirements in Education Code section 51225.3 before the end of his/her fourth year of high school and that student would otherwise be entitled to remain in attendance at the school, the school district may not require or request that the student graduate before his/her fourth year of high school;
 - 17) If a student in foster care or a homeless student is exempted from local graduation requirements, the school district must notify the student and the person holding the right to make educational decisions for the student of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and must provide information about transfer opportunities available through the California Community Colleges;

- 18) A student in foster care or a homeless student who is eligible for the exemption from local graduation requirements and who would otherwise be entitled to remain at the school, shall not be required to accept the exemption or be denied enrollment in, or the ability to complete, courses necessary to attend an institution of higher education, regardless of whether those courses are required for statewide graduation requirements;
- 19) If a student in foster care or a homeless student is not exempted from local graduation requirements or has previously declined the exemption, the school district must exempt the student at any time if s/he requests and qualifies for the exemption;
- 20) Once a student in foster care or a homeless student is exempted from local graduation requirements, the school district may not revoke the exemption;
- 21) If a student in foster care is exempted from local graduation requirements, the exemption must continue to apply after the termination of the court's jurisdiction over the student while s/he is enrolled in school or if the student transfers to another school or school district;
- 22) If a homeless student is exempted from local graduation requirements, the exemption must continue to apply after the student is no longer homeless while s/he is enrolled in school or if the student transfers to another school or school district; and
- 23) A school district may not require or request that a student in foster care or a homeless student transfer schools in order to be exempted from local graduation requirements. A complainant not satisfied with the district's decision may appeal to the CDE and receive a written decision from the CDE within 60 days.

PERSONAL BELIEFS SURVEYS/QUESTIONNAIRES

No test, questionnaire, survey, or examination which has questions about your or your child's: beliefs and practices in sex, family life, morality, religion, political affiliations or beliefs, illegal, anti social, self incriminating, or demeaning behavior, mental or psychological problems, legally recognized privileged relationships (such as lawyer, physician, or minister), critical appraisals of individuals with whom you have close family relationships, or income (except as required by law to determine eligibility for participation in a program or for receiving financial assistance under such program) shall be administered without prior notification and written permission of the parent or guardian. Parents may inspect all instructional materials, including teacher's manuals, films, tapes or other supplementary material to be used in connection with any survey, analysis or evaluation.

INSTRUCTIONAL MATERIALS

Parents have the right to request a meeting to review instructional materials and discuss the curriculum of your student's course.

IMMIGRATION

All children have the right to a free public education, regardless of immigration status or religious beliefs. The California Attorney General's website at <https://www.oag.ca.gov/immigrant/rights> provides "know your rights" resources for immigrant students and family members.

STUDENTS WHO ARE PARENTS OR PREGNANT

Students, who are also parents, may miss school to care for his/her child without a doctor's note. These pregnant/parenting students may not be treated differently on the basis of sex, may participate in educational and extracurricular activities if physically and emotionally able to participate, not be required to attend alternative programs. Pregnancy and complications are treated as any other temporary disabling condition. These students may voluntarily take 8 weeks of parental leave or more if deemed medically necessary by the student's physician, cannot be required to make up the academic work while on parental leave, return to school and the program in which the student was enrolled in prior to the leave, and not incur academic penalties based on the use of any accommodations above.

LACTATION ACCOMMODATIONS FOR PARENTING STUDENTS

School districts must provide reasonable accommodations to lactating students on school campuses to express breast milk, breast-feed an infant child or address other needs related to breast-feeding. These reasonable accommodations include, but are not limited to, access to a private and secure room, other than a restroom, to express breast milk or breastfeed an infant child, permission to bring onto a school campus any equipment used to express breast milk, access to a power source for that equipment, and access to a place to safely store expressed breast milk. A student may not incur an academic penalty as a result of her use of reasonable lactation accommodations and must be provided an opportunity to make up any school work missed due to such use.

A complaint of noncompliance with this provision may be filed under the District's Uniform Complaint Procedures. Complainants not satisfied with the District's decision may appeal to the CDE and receive a written decision within 60 days.

SCHOOL SAFETY PLAN

Each school has a Comprehensive School Safety Plan, which includes a disaster preparedness plan and emergency procedures. Copies are available to read at each school office. Fire and emergency drills are held periodically at each school. Each school shall report on the status of its school safety plan to numerous community leaders and include a description of its key elements in the school accountability report card. Ed. Code §§ 32286, 32288.

FREE & REDUCED LUNCH PROGRAM

Your child may be eligible to purchase breakfast and lunch at a reduced rate. An application will be sent to all students' homes at the beginning of the school year.

Based on your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance For Needy Families payments. Even if you do not owe federal taxes, you must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its website at www.irs.gov.

You may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at www.ftb.ca.gov.

There are many options for notifying households about the EITC which may include in—person, electronic, mail, flyers, or by phone. For additional information, refer to the IRSEITC webpage at <https://www.irs.gov/credits-deductions/individuals/earned-income-tax-credit> or the California EITC Web page at <https://www.ftb.ca.gov/individuals/faq/net/900.shtml>.

If you have questions regarding this subject, please contact the IRS by phone at 800-829-3676 or through its website at www.irs.gov. You can also contact the Franchise Tax Board by phone at 800-852-5711 or through its website at www.ftb.ca.gov.

TRANSGENDER STUDENTS

STUDENT RECORDS

DISTRICT POLICY

See attached Superintendent Regulation-Student Records 5125.

REVIEW OF STUDENT RECORDS

School officials may be authorized to inspect student records if a legitimate educational interest exists. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibilities. A school official is a person employed by the District as an administrator, supervisor, instructor, support staff member (including health or medical staff and law enforcement unit personnel), a person serving on the governing board, a person or company with whom the District has contracted to perform a special task (such as attorney, auditor, consultant, or therapist), or a parent or student serving on an official committee (such as a disciplinary or grievance committee), or assisting another school official in performing his or her tasks.

See attached Superintendent Regulation-Student Records 5125 and Superintendent Regulation-Challenging Student Records 5125.3.

PARENTAL CONSENT TO RELEASE INFORMATION

Your student's right to privacy prohibits the release of confidential information of your student's records to individuals other than yourself, your child (if 16 or older or having completed the 10th grade), or certain authorized individuals without a court order or parental consent. Certain entities, such as military recruiters and institutions of higher education, are authorized under federal law to access student directory information unless the parents request in writing that the student's name, address, and telephone number not be released without prior written consent. Any request to withhold directory information must be received by the school within 10 days from this notice.

RELEASE OF DIRECTORY INFORMATION

The law allows schools to release "directory information" to certain persons or organizations, including military recruiters. Directory information may include a student's name, address, telephone information, date & place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the student. You may have the COE withhold any of this information, including photos of your child, by submitting a request in writing to the school office. The Superintendent or designee may limit or deny the release of specific directory information to any public or private nonprofit organization based upon his/her determination of the best interest of the student. (Ed. Code §§ 49061(c), 49073; NCLB) SLOCOE has determined that the following individuals, officials, or organizations may receive directory information:

- Certain school publications
- Outside organizations including, but not limited to, companies that manufacture class rings or publish yearbooks
- Military recruiters
- Post-secondary educational institutions
- Outside governmental agencies

HOMELESS STUDENT RELEASE OF DIRECTORY INFORMATION

Written consent of the parent or that of the student, if accorded parental rights, must be obtained before directory information pertaining to a homeless student may be released.

PERSONALLY IDENTIFIABLE INFORMATION

Parents or guardians must consent to disclosure of personally identifiable information contained in their student's records, except to the extent disclosure without consent is permitted by law (e.g. subpoena or court order).

TRANSFER OF SUSPENSIONS AND EXPULSIONS DISCIPLINARY RECORDS

The District will forward student records, including suspension and/or expulsion disciplinary records, to other schools that have requested the records and in which the student seeks or intends to enroll.

SOCIAL SECURITY NUMBER– Ed. Code § 49076.7

Prohibits school districts, county offices of education, and charter schools from collecting or soliciting social security numbers or the last four digits of the social security numbers from pupils or their parents or guardians unless otherwise required to do so by state or federal law.

Pupils and their parents or guardians should not be asked to provide their social security numbers or the last four digits of the social security numbers unless required by state or federal law. If a form is requesting that you provide a social security number or the last four digits of the social security number for you and/or your child and it does not specify the state or federal law that requires this information, ask the school administrator for more information before providing it.

STUDENT RECORDS COMPLAINTS

and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920.

DISCIPLINE

SLOCOE desires to prepare youth for responsible citizenship by fostering self-discipline and personal responsibility. We believe that good planning, a good understanding of each child and parent involvement can minimize the need for discipline. Teachers shall use positive conflict resolution techniques and avoid unnecessary confrontations. When misconduct occurs, staff shall make every effort to identify and correct the causes of the student's behavior. Policies and regulations shall delineate acceptable student conduct and provide the basis for sound disciplinary practices. Each school and program has developed disciplinary rules in accordance with the law to meet the school and student needs. Staff shall enforce disciplinary rules fairly and consistently, without regard to race, creed, color, or sex. In order to maintain safe and orderly environments, the COE shall give employees all reasonable support with respect to student discipline. If a disciplinary strategy is ineffective, another strategy shall be employed.

SCHOOL RULES

Code § 48980, parents, guardians, and students have a right to review school rules regarding student discipline and to receive a copy of Governing Board Rules and Regulations regarding student discipline. Ed. Code § 48900.1

TOBACCO USE PROHIBITED

SLOCOE prohibits the use of electronic nicotine delivery systems ("ENDS") such as e-cigarettes, hookah pens, cigarillos, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products on all district property and in district vehicles at all times. ENDS are often made to look like cigarettes, cigars and pipes, but can also be made to look like everyday items such as pens, asthma inhalers and beverage containers. These devices are not limited to vaporizing nicotine; they can be used to vaporize other drugs such as marijuana, cocaine, and heroin.

Section 119405 of the Health and Safety Code prohibits the sale of e-cigarettes to minors which means that students should not be in possession of any such devices. Students using, in possession of, or offering, arranging or negotiating to sell ENDS can be subject to disciplinary action, particularly because ENDS are considered drug paraphernalia, as defined by 11014.5 of the Health and Safety Code.

RELEASE OF STUDENT TO A PEACE OFFICER

If a school official releases your child from school to a peace officer for the purpose of removing him/her from the school premises, the school official shall take immediate steps to notify you or a responsible relative of your child, except when a

student has been taken into custody as a victim of suspected child abuse. In those cases, the peace officer will notify the parent/guardian. Ed. Code § 48906.

PARENT RESPONSIBILITY

Parents/guardians are liable for all the damages caused by the willful misconduct of their minor children which result in death or injury to other students, school personnel, or damage to school property. Parents/guardians are also liable for any school property loaned to the student and willfully not returned. Parents/guardians' liability is defined in §48904. The school may withhold the grades, diplomas or transcripts of the student responsible until such damages are paid or the property returned, or until completion of a voluntary work program in lieu of payment of money. Ed. Code § 48904, Civ Code § 1714.1.

FAMILY ENGAGEMENT/ PARENT INVOLVEMENT

Research tells us that family engagement in school makes a big difference. When schools, families and communities work together, student achievement increases. SLOCOE schools welcome and encourage family participation in a variety of ways. SLOCOE has aligned parent involvement in the LCAP and SPSA stakeholder engagement processes by streamlining the two into a single coherent system of parent and family engagement activities that reflect and represent both the LCAP and SPSA requirements. This will promote a more comprehensible, unified, and understandable system for parents to more easily and meaningfully engage in their child's educational process. The SLOCOE Parent and Family Engagement Policy is attached.

STUDENT SEARCH

The school principal or designee may search the person of a student, the student's locker, the student's backpack, the student's purse, or other belongings if there is a reasonable suspicion to believe the student may have a concealed weapon, narcotics, stolen property, or contraband. *U.S. Supreme Court Case: New Jersey vs. T.L.O. (1985) 469 U.S. 325.*

SEARCH – POLICE DOG

Ensuring your students are safe from drugs requires a drug free school. Trained police dogs may be used in a search on the school grounds, in hallways, social areas, locker rooms, gyms, parking lots and classrooms. As a parent one of the most crucial policies to demand from your student's school is a drug free campus. Nationwide, over 85% of high school students and 44% of junior high students report seeing drugs used, sold, or stored on campus with 31% of high school students and 9% of junior high students seeing such conduct at least once a week (Center for Substance Abuse Research). Law Enforcement and probation will be involved along with school officials during any search of campus involving trained police dogs.

TRANSPORTATION-SCHOOL BUS RULES

The school bus is considered an extension of the classroom. The same rules apply as when a student is at school. Please refer to our discipline sections in this handbook along with the PBIS matrix. The same incentives and consequences will be used for your student on the bus as in school.

CELL PHONES and other ELECTRONIC SIGNALING DEVICES

Schools may regulate the possession or use of any cell phones, pagers, iPods, mp3 players, or electronic signaling devices while pupils are on campus, while attending school-sponsored activities, or while under the supervision and control of school district employees. Ed. Code § 48901.5.

TECHNOLOGY

SLOCOE recognizes that technology provides ways to access the most current and extensive sources of information. Technology also enables students to practice skills and to develop reasoning and problem-solving abilities. Every effort shall be made to provide equal access to technology throughout SLOCOE schools and classes.

ACCEPTABLE INTERNET USE POLICY--Electronic Media Communication

SLOCOE provides computers, Internet and email access to teachers, students, staff and administrators. To create a common expectation for the acceptable use of such communication devices, each user of such devices is expected to subscribe to and observe this Acceptable Internet Use Policy. This policy does not cover all required or expected behavior. Each user is expected to exercise sound judgment regarding appropriate conduct. Please read this document carefully before signing, since you are agreeing to adhere to this policy. Your signature at the end of this document is legally binding and indicates that you have read the terms and conditions carefully and understands their significance.

COMPUTERS: No software may be installed on any computer unless it has been approved by SLOCOE Information Technology Services Department. Making copies of any SLOCOE owned software is prohibited. Passwords and other access restrictions must be made known to the appropriate supervisor so that authorized access is always available to information on

computers. Computers and associated technology may not be used for commercial or political purposes, or for any purpose that is immoral, illegal, or contrary to SLOCOE policies. Use of technology for employee organization purposes is permitted only in accordance with the separate rules established between the employer and those organizations.

ELECTRONIC (COMPUTER) FILES: Documents created and stored on computers and e-mail systems may be considered public records, subject to disclosure under the Public Records Act. Any information relating to the conduct of the public's business is a public record if it is prepared, owned, used or retained by the office in any form. This includes computer records, e-mail messages and anything downloaded and retained from the Internet, including bookmarks. It is not necessary for there to be a hard copy, i.e. paper, for an item to be considered a public record. Any record that is stored on any office equipment, even if it is a personal item placed there by an employee or student, may fit the definition of a public record. These records may be subject to disclosure under a request for public records. Although SLOCOE does not regularly monitor computer files, e-mail or Internet use, we retain the right to do so. Employees do not have a legitimate expectation of privacy with respect to what they store, send, receive, or access. Additional cautions regarding use of e-mail are detailed below.

CONFIDENTIAL STUDENT FILES AND DOCUMENTS: Confidential student files and documents may be sent in an electronic format as set forth: Within the County Office of Education: • Documents are sent strictly through the COE system (slocoe.org) to computers/e-mail accounts that are password protected (slocoe.org); • Documents that are printed shall be placed into secure files; • Documents are saved into electronic files which reside on password protected computers or in password protected accounts; • Documents should never be left accessible to the public. Outside the County Office of Education: • Documents shall only be sent when password protected; • Social security numbers shall not be sent electronically; • Documents shall have a cover sheet which includes the following language:

CONFIDENTIALITY NOTICE: This communication and any documents, files, or previous email messages attached to it, constitute an electronic communication within the scope of the Electronic Communication Privacy Act, 18 USCA 2510. This communication may contain non-public, confidential, or legally privileged information intended for the sole use of the designated recipient(s). The unlawful interception, use, or disclosure of such information is strictly prohibited under 18 USCA 2511 and any applicable laws. If you received this message in error or are not the intended recipient, you should destroy the email message and any attachments or copies, and you are prohibited from retaining, distributing, disclosing or using any information contained herein. Please inform us of the erroneous delivery by return email or by calling us at (805) 543-7732. Thank you for your cooperation.

E-MAIL: Email is a very convenient way to communicate and to send computer documents as attachments. When an e-mail message is sent or received, the message may be deleted without saving it (although this does not erase the message from existence), or a hard copy of the message may be printed, and/or the message may be kept in electronic files. Although there is informality inherent in using email, remember to maintain a hard copy of documents that constitute a record for the office. Under the Brown Act, board members and officers of official bodies may not use email to conduct meeting business. E-mail is not guaranteed to be private. System operators do have access to all mail. The SLOCOE will provide a reasonable level of security for information on the network, but cannot guarantee the privacy or confidentiality of any information stored or transferred on it. E-mail can theoretically be intercepted and read at any point where it is forwarded along the network and e-mail with invalid user or hostnames is sometimes delivered to the system administrator. The identity of the person who created a message can be determined; courts have ordered commercial providers to disclose this information in legal cases. If there is any information that absolutely should not be seen by another person, then do not email it. E-mail users are expected to follow the generally accepted rules of network etiquette. Each user represents him/herself and SLOCOE on a potentially global forum. The following rules are provided as a sample: TM Be polite. Abusive messages are unacceptable. TM Use appropriate language. Although electronic mail (e-mail) tends to be more casual than other forms of written communication, never swear, use vulgarities or any other inappropriate language. TM Be discreet. Do not reveal any personal information, address or phone numbers of students or colleagues. TM Disruptions. Do not use the network in such a way that would disrupt the use of the network by other users. TM Good practices: Be brief. Don't contribute to information overload. Spell it right. Forgive spelling and grammatical errors of others. Make sure each message is easy to read and understand. Get the most appropriate audience for the message, not the widest one. Use accurate titles for messages to indicate what they are about. Capitalizing entire words that are not titles is generally termed as SHOUTING! Be careful with the use of humor- it is commonly misinterpreted as satire. Cite references for facts, as appropriate. Keep signatures brief. Post only to groups known to the user.

INTERNET: The Internet is a vast collection of networked computers offering a cornucopia of information on every conceivable topic. Web browsers have made the Internet graphical and enabled access with unprecedented ease. Users are advised that some Web sites may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening,

racially offensive, or illegal material. The SLOCOE does not condone the use of such materials. SLOCOE provides a Web filtering service that blocks access to much of the inappropriate material, minimizing the potential access by students. We believe that the valuable information and interaction available on this worldwide network far outweigh the possibility that users may procure material that is not consistent with educational goals. Internet access is coordinated through a complex association of government agencies, and regional and state networks. The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. Guidelines are provided here so that users are aware of the responsibilities they are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources. If a user violates any of these provisions, his or her account may be terminated and future access could be denied; additionally, disciplinary and/or legal action may be taken.

INTERNET ACCESS - TERMS AND CONDITIONS: 1. Acceptable Use - Access must be in support of education and/or research and must be consistent with the educational objectives of the community. Using other organization's network or computing resources must comply with the rules appropriate for that network. 2. Privileges - The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The SLOCOE system administrators will deem what is unacceptable use and their decision is final. Also, the administrators may close an account at any time, as required.

ACCEPTABLE/UNACCEPTABLE USE: 1. Any use for illegal, inappropriate, or obscene purposes, or in support of such activities, is prohibited. Illegal activities shall be defined as a violation of local, state, and/or federal laws. Inappropriate use shall be defined as a violation of the intended use of the network, and/or purpose and goal. Obscene activities shall be defined as a violation of generally accepted social standards for use of a publicly-owned and operated communication vehicle. 2. Use for commercial purposes, including personal gain, is prohibited. 3. Copying materials in violation of copyright law is prohibited. 4. Use for product advertisement, religious advocacy, or political lobbying is prohibited. 5. No use shall serve to disrupt the use of the network by other users. 6. Any user's traffic that traverses another network may be subject to that network's acceptable use policy. From time to time, SLOCOE will make decisions on whether specific uses are consistent with this policy. The SLOCOE shall remain the final authority on the use of the network and the issuance of user accounts. We reserve the right to modify this policy at any time. Users will receive prompt notification of all modifications.

SECURITY: Security on any computer system is a high priority, especially when the system involves many users. Any security problem should be brought to the attention of the system administrator. Do not demonstrate the problem to other users. Do not use another individual's account. Attempt to login as a system administrator will result in immediate cancellation of user privileges. **APPROVED BY COUNTY BOARD OF EDUCATION 9/1/05 REVISED BY COUNTY BOARD OF EDUCATION 12/11/08**

USER AGREEMENT

I understand and will adhere to the above Acceptable Internet Use Policy. I further understand that any violation of the regulations above is unethical and may constitute a criminal offense. Should I commit any violation to this policy, my access privileges may be revoked, and/or disciplinary/legal action may be taken.

HEALTH AND MEDICAL INFORMATION

CALIFORNIA LOCAL EDUCATIONAL AGENCY PROGRAM

Your school district, in cooperation with the California Departments of Health Services and Education, has a program to allow the District to be reimbursed with federal Medicaid dollars for selected health services (such as hearing and vision screenings, health assessments) provided to eligible students at school. In accordance with Local Education Agency rules and guidelines, we are notifying you that eligible student records may be forwarded to the District's billing agency. These records will be forwarded in a confidential manner. Our vendor holds a contract with the District that contains a specific confidentiality clause to ensure information is not disclosed inappropriately; further, our vendor is HIPAA compliant (Federal Health Insurance Portability & Accountability Act). School health services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will never be billed for services by the school district.

KINDERGARTEN & FIRST GRADE PHYSICAL EXAMINATIONS

State law requires that for each child enrolling in the first grade, the parent/guardian must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18 months. If your child does not receive

this exam, you must file with the school district a waiver stating the reasons you are unable to obtain such services. You must understand that your child may be sent home if you fail to provide the certificate or waiver, or if your child is suspected to be suffering from a contagious disease. You may find it convenient to have your child immunized at the same time that the physical examination is conducted. These services may be available to you at no cost through the Child Health & Disability Prevention Program (CHDP).

PHYSICAL EXAM & CONTAGIOUS DISEASE

To exempt your child from any physical examination you must provide written notice to the District. However, where there is good reason to believe that your child is suffering from a recognized contagious or infectious disease, your child will be sent home and will not be permitted to return until school authorities are satisfied that any contagious or infectious disease does not exist.

ORAL HEALTH ASSESSMENT

Record of a dental assessment done by a dental professional is required for all kindergarteners and first graders attending public school for the first time. Dental assessments must be completed in the 12 months prior to entry or by May 31st of the pupil's first school year.

California Law, Education Code §49452.8, now requires that your child have an oral health assessment (dental check-up) by May 31 in either kindergarten or first grade, whichever is his or her first year in public school. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other licensed or registered dental health professional.

IMMUNIZATIONS

Unless exempt, a pupil may not be admitted to school unless he/she has been fully immunized against diphtheria, pertussis (whooping cough), tetanus, poliomyelitis, measles, mumps, and rubella. Students entering kindergarten and seventh grade are required to have three doses of Hepatitis B vaccine and a second dose of measles containing vaccine. Students must be immunized for varicella or provide proof from a doctor stating that the child has had the disease. Tdap booster vaccine is required for all incoming 7th graders. The required immunizations are available from the San Luis Obispo County Health Department or a physician. Documented proof of immunization must be up-to-date before admission to school is granted.

The school district shall cooperate with local health officials in measures necessary for the prevention and control of communicable diseases in school age children. The district may use any funds, property, or personnel and may permit any person licensed as a physician or registered nurse to administer an immunizing agent to any student whose parents have consented in writing.

Students who had a signed waiver based on religious or personal beliefs on file by January 1, 2016, will be exempt from the immunization requirement until they complete the "grade span" they were in as of January 1, 2016. Grade spans are: (1) birth through preschool, (2) Kindergarten through 6th grade, and (3) 7th through 12th grade. Students entering the district for the first time or advancing to 7th grade after July 1, 2016 will no longer be exempt from immunizations based on their religious or personal beliefs.

Students who have a medical exemption issued before December 31, 2020 will be allowed continued enrollment until they enroll in the next grade span. As of January 1, 2021, the District will only accept medical exemptions that are submitted on the California Department of Public Health's standardized, statewide medical exemption certification form. (Health and Safety Code §§120370(a)(2) and 120372(a).)

A student not fully immunized may be temporarily excluded from a school or other institution when that child has been exposed to a specified disease and whose documentary proof of immunization status does not show proof of immunization against one of the communicable diseases described above.

Students are not required to have immunizations if they attend a home-based private school or an independent study program and do not receive classroom-based instruction. However, parents must continue to provide immunizations records for these students to their schools. The immunization requirements do not prohibit students from accessing special education and related services required by their individualized education programs.

Parents will be given notice to consent to immunizations of their student whenever the immunization of students is permitted by the District.

MEDICATION ADMINISTRATION

Children may take medication, which is prescribed by a physician, and get help from school personnel during the school day if:

1. The COE designee has received a written statement from the physician, surgeon, or physician assistant detailing the method, amount, and time schedules by which the medication is to be taken; and
2. Parent/guardian submits a written statement indicating his/her desire that the school district assist his/her child in taking the medication; and
3. Parent/guardian signs a release authorization on a special form available from the COE. (EC 49423)

CONTINUING MEDICATION REGIMEN

The parent or legal guardian of any public school pupil on a continuing medication regimen for a non episodic condition, shall inform the school nurse or other designated certificated school employee of the medication being taken, the current dosage, and the name of the supervising physician. With the consent of the parent or legal guardian of the pupil, the school nurse may communicate with the physician and may counsel with the school personnel regarding the possible effects of the drug on the child's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose.

ANAPHYLAXIS TREATMENT

School districts may provide epinephrine auto-injectors to trained personnel to use to provide emergency medical aid to persons suffering from an anaphylactic reaction.

Anaphylaxis is a rapid, severe allergic response triggered by insect stings, foods, medications, latex materials, exercise, or in rare cases by unknown causes. This is a life-threatening allergic condition, requiring immediate treatment. Administering epinephrine to students during a medical emergency may help to insure the student's health and safety at school. Therefore, SLOCOE has adopted a policy for giving life-saving epinephrine to students in need of such treatment.

This policy states that a credentialed, licensed school nurse or trained, unlicensed school staff, under the direct or indirect supervision of the credentialed school nurse (or supervisor of health), may administer epinephrine in the form of an epinephrine auto-injector during a severe, life-threatening allergic reaction. The epinephrine auto-injector rapidly delivers a pre-measured, sterile, single dose of epinephrine by direct injection through the skin. This is not a vaccine, nor does it contain blood products.

The district may allow your child to carry and self-administer auto-injectable epinephrine and/or inhaled asthma medication if the following conditions are met. A physician or surgeon's statement confirming that your child is able to self-administer the medication and detailing the name of the medication, the method, amount and time schedules for administration must also accompany the request. In the case of auto-injectable epinephrine, a physician assistant may also provide this written statement. The parent, foster-parent or guardian must also: (1) consent in writing to the self-administration, (2) provide a release for the school nurse or other designated school personnel allowing them to consult with the student's physician and (3) agree to release the district and school personnel from civil liability in the event of an adverse reaction to the medication. These written statements must be provided to the school at least annually or more frequently if the medication, dosage, frequency of, or reason for, the administration changes. Students may be subject to disciplinary action pursuant to Ed. Code § 48900 for using auto-injectable epinephrine or inhaled asthma medication in a non-prescribed manner.

ANTI-SEIZURE MEDICATION

Parents of a student diagnosed with seizures, a seizure disorder or epilepsy who has been prescribed an emergency anti-seizure medication may request that their student's school have one or more of its employees receive voluntary training in the administration of the medication in the event that the student suffers a seizure when a school nurse is not available. Upon receipt of the parent's request, the local education agency must notify parent that his or her child may qualify for an individualized education program or a Section 504 plan.

Parents must provide a seizure action plan pursuant to Ed. Code § 49468.3 before an emergency anti-seizure medication or therapy treatment may be administered.

EMERGENCY TREATMENT FOR OPIOID OVERDOSE

School districts, county offices of education and charter schools may provide emergency naloxone hydrochloride or another opioid antagonist to school nurses or trained personnel who have volunteered. School nurses or trained personnel may use naloxone hydrochloride or another opioid antagonist to provide emergency medical aid to persons suffering, or reasonably believed to be suffering, from an opioid overdose. Ed. Code § 49414.3(a).

SCOLIOSIS SCREENING

Between grades 6 and 8, your child may be screened for scoliosis (curvature of the spine), unless you submit a written denial of consent. Ed. Code § 49452.5.

VISION & HEARING APPRAISAL

Your student's vision and hearing may be checked by an authorized person unless you present the school a certificate from a physician or optometrist verifying prior testing, or a letter stating it violates your faith in a recognized religious belief. Ed. Code § 49455, 49452.

SUN PROTECTION

Students, when outdoors, can wear sun protective clothing, including, but not limited to, hats. Students may also apply sunscreen during the day, without a doctor's note or prescription. Ed. Code § 35183.5.

CONFIDENTIAL MEDICAL SERVICES

School authorities may excuse any student in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent/guardian. School districts are permitted to grant such excuses, but are not required to do so. SLOCOE does grant such excuses. Ed. Code § 46010.1

DRUG, ALCOHOL & TOBACCO PREVENTION PROGRAMS

This notice is provided in compliance with the requirements of state and federal law as a part of the COE's drug, alcohol and tobacco prevention programs. The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs, alcohol, or any form of tobacco product on COE premises or as a part of any its activities is wrong, harmful and is strictly prohibited. All pupils will abide by this prohibition as a condition of attendance. Any violations of COE or school standards of conduct, rules and regulations or state or federal laws regarding illicit drugs, alcohol and tobacco will be investigated. Violators will be subject to prosecution in accordance with local, state and federal law and COE disciplinary action up to and including expulsion, and/or requirements to satisfactorily complete drug abuse assistance, tobacco cessation program, or rehabilitation programs selected by the COE in conformance with law. The COE's drug, alcohol and tobacco education and prevention programs are designed to address the legal, social and health consequences of drug, alcohol and tobacco use and to provide pupils with effective techniques for resisting peer pressure to use illicit drugs, alcohol or tobacco. Information about any drug, alcohol and tobacco counseling, rehabilitation, and re-entry programs available to pupils may be obtained by contacting the school. This information may include programs sponsored or maintained by various community groups or agencies. The COE neither supports nor endorses any specific program, agency or firm. The information is provided only to assist parents and pupils who may desire information regarding the resources available to assist them.

TOBACCO-FREE CAMPUS

All school districts, charter schools, and county offices of education that receive Tobacco Use Prevention Education (TUPE) funding shall adopt and enforce a tobacco-free campus policy no later than July 1 of each fiscal year. Information about the policy and enforcement procedures shall be communicated clearly to school personnel, parents, pupils, and the larger community. Information about smoking cessation support programs shall be made available and encouraged for pupils and staff.

HSC 104495: Prohibits smoking a cigarette, cigar, or other tobacco-related products and disposal of cigarette butts, cigar butts, or any other tobacco-related waste within 25 feet of any playground or tot lot sandbox area. It also prohibits the use of a tobacco product within 250 feet of a youth sports event. The prohibitions do not apply to private property or a public sidewalk located within 25 feet of a playground or a tot lot sandbox area.

HSC 104559: Without regard to whether a school district, charter school, and county office of education receives TUPE funding, the use of tobacco and nicotine products, including, but not limited to, smokeless tobacco, snuff, chew, clove cigarettes, and other nicotine delivery devices, such as electronic cigarettes, is prohibited.

The use of tobacco and nicotine products is prohibited on school or district grounds, buildings, and vehicles, and within 250 feet of a youth sports event. Tobacco products include, but are not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, snuff, or an electronic device (e.g., electronic cigarette, cigar, pipe, or hookah) that delivers nicotine or other vaporized liquids.

FAMILY LIFE EDUCATION OR SEX EDUCATION COURSES

In the California Comprehensive Sexual Health and HIV/AIDS Prevention classes, written and audiovisual educational material will be used and are available for inspection prior to the start of classes. You have the right to request, in writing, that you be excused from all or part of any sexual health education, and HIV prevention education or assessments related to that education. You may withdraw this request at any time. If a school receives a written request from the parent or guardian excusing a student from this instruction, the student may not be subject to disciplinary action, academic penalty or other sanction and an alternative educational activity must be made available to the student. This notice does not apply to human reproductive organs which may appear in physiology, biology, zoology, general science, personal hygiene, or health textbooks, adopted pursuant to law.

Parents also have the right to inspect the written and audiovisual educational materials to be used for this instruction, and to request copies of Education Code sections 51930-51939. This notice does not apply to human reproductive organs which may appear in physiology, biology, zoology, general science, personal hygiene, or health textbooks, adopted pursuant to law.

Schools must ensure that all pupils receive sexual health instruction from adequately trained personnel in appropriate courses. SLOCOE staff (teachers) and outside contractors may be used. This instruction will emphasize sexual abstinence and abstinence from intravenous drug use as the most effective means of AIDS prevention and sexually transmitted diseases. The instruction will also include development of refusal skills to assist pupils to overcome peer pressure and use effective decision-making skills to avoid high-risk activities.

STUDENT SURVEYS, TESTS, AND QUESTIONNAIRES REGARDING SEXUAL ATTITUDES AND PRACTICES

Anonymous, voluntary, and confidential research and evaluation tools may be used to measure pupils' health behavior and risks, including tests, questionnaires and surveys containing age-appropriate questions about the student's attitudes concerning, or practices related to sex, may be administered to students in grades 7-12. Parents and guardians will be notified in writing that such a test, questionnaire or survey is to be administered and given an opportunity to review the test, questionnaire or survey and be informed that in order to excuse their child, they must state their request in writing. If a school receives a written request from the parent or guardian excusing a student from this activity, the student may not be subject to disciplinary action, academic penalty or other sanction and an alternative educational activity must be made available to the student.

YOUTH SUICIDE PREVENTION POLICY

Assembly Bill 2246 (O'Donnell) addressed this issue by requiring LEAs to adopt suicide prevention policies before the beginning of the 2017–18 school year. Chaptered as California *Education Code (EC)* Section 215, AB 2246 mandates that the Governing Board of any LEA that serves pupils in grades seven to twelve, inclusive, adopt a policy on pupil suicide prevention, intervention, and postvention. The policy shall specifically address the needs of high-risk groups, include consideration of suicide awareness and prevention training for teachers, and ensure that a school employee acts only within the authorization and scope of the employee's credential or license. SLOCOE's Suicide Prevention Policy can be found on the SLOCOE website and can be made available by the school administrator.

DISCRIMINATION & HARASSMENT

NON-DISCRIMINATION/HARASSMENT

SLOCOE is committed to providing a safe school environment that allows all students equal access to opportunities in academic and other educational support programs, services, and activities. Unlawful discrimination against a student in any COE school, program, or activity, including discriminatory harassment, intimidation, and bullying, is prohibited. Any form of retaliation against an individual who files or otherwise participates in the filing or investigation of a complaint or report regarding an incident of discrimination is also prohibited.

Unlawful discrimination may result from physical, verbal, nonverbal, or written conduct against a student based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or the student's association with a person or group with one or more of these actual or perceived characteristics. Unlawful discrimination also occurs when the prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in any COE school, program, or activity, or the provision or receipt of educational benefits or services, such as prohibiting a student from enrolling in a class or course on the basis of the student's sex.

When, as permitted by law, the COE maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, students may choose to access facilities and participate in such programs and activities consistent with their gender identity. In addition, students may choose to participate in accordance with their gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. Each student's gender identity shall be the gender asserted by the student.

Transgender and gender-nonconforming students shall be afforded the same rights, benefits, and protections as all COE students.

Complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying or retaliation may be filed in accordance with the COE's uniform complaint procedures (UCP) pursuant to BP 1312.3 - Uniform Complaint Procedures. For complaints of sexual harassment, it is the responsibility of the COE's Title IX Coordinator to determine whether the complaint should be addressed through UCP or, if the alleged conduct meets the federal definition of sexual harassment pursuant to 34 CFR 106.30, the complaint procedures established in 34 CFR 106.44-106.45. Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action shall be taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, or bullying, or retaliation in violation of law or COE policy or procedures shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4.

ANTIDISCRIMINATION MEASURES

The County Board hereby incorporates by reference the policies, procedures, and measures implemented by the COE to prevent or address unlawful discrimination in COE schools, programs, and activities, including, but not limited to, the following:

1. Designation of a coordinator/compliance officer to handle complaints alleging unlawful discrimination
2. Publicizing of the COE's nondiscrimination policies and complaint procedures
3. Posting of the COE's policies and procedures prohibiting discrimination, harassment, student sexual harassment, intimidation, bullying, and cyberbullying, including a section on social media bullying that includes all of the references described in Education Code 234.6 as possible forums for social media, in a prominent location on the COEs web site in a manner that is easily accessible to parents/guardians and students (Education Code 234.6)
4. Posting of the definition of sex discrimination and harassment as described in Education Code 230, including the rights set forth in Education Code 221.8, in a prominent location on the COE's web site in a manner that is easily accessible to parents/guardians and students (Education Code 234.6)
5. Posting of information regarding Title IX prohibitions against discrimination based on a student's sex, gender, gender identity, pregnancy, and parental status as required pursuant to Education Code 221.61, and a link to the Title IX information included on the California Department of Education's (CDE) web site, in a prominent location on the COE's web site in a manner that is easily accessible to parents/guardians and students (Education Code 221.6, 221.61, 234.6)
6. Posting of a link to statewide CDE-compiled resources, including community-based organizations, that provide support to youth who have been subjected to school-based discrimination, harassment, intimidation, or bullying and to their families. Such resources shall be posted in a prominent location on the COE's web site in a manner that is easily accessible to parents/guardians and students. (Education Code 234.5, 234.6)
7. Provision of training and information about the COE's nondiscrimination policies and complaint procedures, including information related to state and federal laws pertaining to the rights of transgender and gender-nonconforming students, to students, parents/guardians, COE employees, and others as applicable
8. Establishment of a complaint process that ensures a prompt and fair resolution of complaints
9. Provision of annual notification required by law
10. Maintenance of student records in accordance with law

When a former student presents government-issued documentation of a name and/or gender change, the student's records shall be updated accordingly. (Education Code 49062.5)

SEXUAL HARASSMENT

SLOCOE is committed to maintaining a safe school environment that is free from harassment and discrimination. Sexual harassment targeted at any student in a COE educational program, school, or school-sponsored or school-related activity is prohibited.

Retaliatory behavior or action against any person who reports, files a complaint, or testifies about sexual harassment or who otherwise supports a complainant in alleging sexual harassment is also prohibited.

Students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, are strongly encouraged to immediately contact their teacher, the principal or program administrator, the COE's Title IX Coordinator, or any other available school employee.

Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator so that steps may be taken to investigate and address the allegation in accordance with law and related COE regulations.

Once notified of a complaint or allegation of sexual harassment, the Title IX Coordinator shall ensure that it is addressed through the COE's Title IX complaint procedures or uniform complaint procedures (UCP), as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of the Title IX procedure concurrently meets the requirements of UCP.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion pursuant to Education Code 48900.2, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

UCP - FORMER JUVENILE COURT SCHOOL STUDENT GRADUATION REQUIREMENTS

School districts and county offices must exempt former juvenile court school students, who have transferred into a school district from a juvenile court school after completion of their second year of high school, from local graduation requirements that exceed state requirements and accept coursework satisfactorily completed while attending the juvenile court school, even if the student did not complete the entire course, and grant full or partial credit for courses earned while in juvenile court school. Former juvenile court school students may file complaints of non-compliance with these requirements under the District's Uniform Complaint Procedures.

When deciding whether to decline the diploma, the county office of education must advise the student, or if a minor, his/her educational rights holder, whether the student is likely to do all the following upon his/her release from a juvenile detention facility:

- a. Enroll in a school operated by a LEA or charter school;
- b. Benefit from continued instruction; and
- c. Graduate from high school. (Ed. Code § 48645.7(c).)

Complaints of non-compliance may be filed with the District/County Office of Education/LEA under their Uniform Complaint Procedures. A complainant not satisfied with the District/County Office of Education/LEA's decision may appeal

to the California Department of Education (CDE) and receive a written decision regarding the appeal within 60 days of the CDE's receipt of the appeal.

Upon qualifying for a diploma, county offices of education must notify juvenile court students, their educational rights holders, and their social workers or probation officers of the following:

- a. The student's right to a diploma without having to complete coursework or other requirements that are in addition to statewide graduation requirements (Ed. Code § 48645.5(d));
- b. How taking coursework and other requirements adopted by the governing board of the county office of education or continuing education upon release from the juvenile detention facility will affect the student's ability to gain admission to a postsecondary educational institution (Ed. Code § 48645.7(a)(1)(B));
- c. Information about transfer opportunities available through the California Community Colleges (Ed. Code § 48645.7(a)(1)(C));
- d. The student's or, if a minor, the education rights holder's option to allow the pupil to defer or decline the diploma in order to take additional coursework if the county office of education makes a finding that the student could benefit from the additional coursework and graduation requirements adopted by the county office of education. (Ed. Code § 48645.7(b)).

UCP – COURSE PERIODS WITHOUT EDUCATIONAL CONTENT

School districts are also prohibited, without written parental consent and related documentation, from enrolling 9-12th graders in classes they have previously completed and received a grade in that is satisfactory to receive a high school diploma and to attend a California public institution of postsecondary education. Non-compliance complaints may be filed under the District's Uniform Complaint Procedures. A complainant not satisfied with the District's decision may appeal to the CDE and receive a written decision from the CDE within 60 days.

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

When required by law, a student's parent/guardian or an adult student shall provide written, signed, and dated consent before the COE discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. reason access was granted, and the time and circumstances of inspection. (5 CCR 435)

County Office Regulation 5125.3: Challenging Student Records

Status: ADOPTED

Original Adopted Date: 08/19/2021 | **Last Reviewed Date:** 08/19/2021

At the beginning of each school year or, for a student enrolled after the beginning of the school year, at the time of enrollment, parents/guardians shall be notified of the availability of the following procedures for challenging the contents of student records. Any student who is 18 years of age or attends a postsecondary institution shall have the sole right to challenge the contents of his/her records in accordance with the following procedures. (Education Code 49061, 49063)

Procedures for Challenging Records

The custodial parent/guardian of any student may submit to the County Superintendent or designee a written request to correct or remove from his/her child's records any information concerning the child which he/she alleges to be any of the following: (Education Code 49070; 34 CFR 99.20)

1. Inaccurate
2. An unsubstantiated personal conclusion or inference
3. A conclusion or inference outside of the observer's area of competence
4. Not based on the personal observation of a named person with the time and place of the observation noted
5. Misleading
6. In violation of the privacy or other rights of the student

Within 30 days of receiving a request to correct or remove any information from a record, the County Superintendent or designee shall meet with the parent/guardian and the county office employee who recorded that information, if he/she is presently employed by the county office. (Education Code 49070)

If the challenge involves a student's grade, the teacher who gave the grade shall be given an opportunity to state, orally and/or in writing, the reasons for which the grade was given. Insofar as practicable, the teacher shall be included in all discussions related to any grade change. In the absence of clerical or mechanical error, fraud, bad faith, or incompetency, a student's grade as determined by the teacher shall be final. (Education Code 49066)

Resolution of Challenge/Appeals

After considering all relevant information, the County Superintendent or designee shall sustain or deny the parent/guardian's allegations. (Education Code 49070)

If the parent/guardian's allegations are sustained, the County Superintendent or designee shall order the correction or removal and destruction of the information. (Education Code 49070)

If the County Superintendent or designee denies the allegations, the parent/guardian may, within 30 days, appeal the decision in writing to the County Board of Education. Within 30 days of receiving the written appeal, the Board shall meet in closed session with the parent/guardian and the county office employee who recorded the information, if he/she is presently employed by the county office. The Board shall then decide whether to sustain or deny the allegations. The decision of the Board shall be final. (Education Code 49070)

If the Board sustains any or all of the allegations, the County Superintendent or designee shall immediately order the correction or removal and destruction of the pertinent information from the student's records and shall inform the parent/guardian in writing that the information has been corrected or destroyed. (Education Code 49070)

If the parent/guardian does not file an appeal, or if the appeal is denied by the Board of Education, the parent/guardian shall be informed of his/her right to submit a written objection to the information. Any statement submitted by the parent/guardian shall be maintained with the contested part of the record for as long as the record is maintained and shall be disclosed whenever the related part of the record is disclosed. (Education Code 49070; 34 CFR 99.21)

Hearing Panel

The County Superintendent or designee and/or the County Board of Education may appoint a hearing panel to assist in making determinations regarding a challenge to student records or an appeal, as applicable, provided that the parent/guardian gives written consent to releasing relevant student record information to the panel members. Such a hearing panel shall consist of the following persons: (Education Code 49071)

1. A chairperson who is a principal of a public school other than the school at which the record is on file
2. A certificated employee appointed by the county office's certificated employee council or, if no such council exists, by a parent/guardian
3. A parent/guardian appointed by the County Superintendent or designee or the County Board of Education, whoever convenes the panel

If possible, the members of the hearing panel shall not be acquainted with the student, his/her parent/guardian, or the employee who recorded the information, except when the parent/guardian appoints the certificated employee pursuant to item #2 above. (Education Code 49071)

The panel shall be provided with verbatim copies of the information that is the subject of the controversy. The panel shall, in closed session, hear the parent/guardian's objections to the student record and, if the employee is presently employed by the county office, the employee's testimony. The proceedings of the hearing shall not be disclosed or discussed by panel members except in their official capacities. The panel shall submit, to the County Superintendent or designee or the County Board of Education as applicable, its written findings setting forth the facts and decisions of the panel. Superintendent Policy 5132: Dress And Grooming

Status: ADOPTED

Original Adopted Date: 08/26/2021 | **Last Reviewed Date:** 08/26/2021

The County Superintendent believes that appropriate dress and grooming contribute to a productive learning environment. The County Superintendent expects students to wear clothing that is suitable for the school activities in which they participate. Students shall not wear clothing that presents a health or safety hazard or causes a substantial disruption to the educational program.

County office and school rules pertaining to student attire shall be included in student handbooks, may be posted in school offices and classrooms, and may be periodically reviewed with all students as necessary.

Students shall not be prohibited from dressing in a manner consistent with their gender identity or gender expression or with their religious or cultural observance.

In addition, the dress code shall not discriminate against students based on hair texture and protective hairstyles, including, but not limited to, braids, locks, and twists. (Education Code 212.1)

The principal or designee is authorized to enforce this policy and shall inform any student who does not reasonably conform to the dress code. The dress code shall not be enforced in a manner that discriminates against a particular viewpoint or results in a disproportionate application of the dress code based on students' gender, sexual orientation, race, ethnicity, household income, or body type or size.

School administrators, teachers, and other staff shall be notified of appropriate and equitable enforcement of the dress code.

When practical, students shall not be directed to correct a dress code violation during instructional time or in front of other students.

Repeated violations or refusal to comply with the county office's dress code may result in disciplinary action.

Gang-Related Apparel

The principal, staff, and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a proposed dress code shall be presented to the County Superintendent, which shall approve the plan upon determining that it is necessary to protect the health and safety of the school environment. The dress code policy may be included in the school's comprehensive safety plan. (Education Code 35183)

When determining specific items of clothing that may be defined as gang apparel, the school shall ensure that the determination is free from bias based on race, ethnicity, national origin, immigration status, or other protected characteristics.

Uniforms

The County Superintendent may approve a school-initiated dress code requiring students at the school to wear a school uniform whenever the County Superintendent determines that such a dress code will promote student achievement, a positive school climate, and/or student safety.

The County Superintendent or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against, or denied attendance to school if their parents/guardians so decide. (Education Code 35183)

The County Superintendent or designee shall ensure that resources are identified to assist economically disadvantaged students in obtaining uniforms. (Education Code 35183)

Except as may otherwise be specifically provided in other county office of education (COE) policies, these uniform complaint procedures (UCP) shall be used to investigate and resolve only the complaints specified in the accompanying County Board policy.

Compliance Officers

The COE designates the individual(s), position(s), or unit(s) identified below as responsible for receiving, coordinating and investigating complaints and for complying with state and federal civil rights laws. The individual(s), position(s), or unit(s) also serve as the compliance officer(s) for handling complaints regarding unlawful discrimination, harassment, sexual harassment, intimidation, or bullying

Chief Human Resources Officer
3350 Education Drive, San Luis Obispo, CA 93405
805- 543-7732

Complaints received by one compliance officer may be assigned to another compliance officer to investigate and resolve the complaint. The complainant and respondent shall be promptly notified if another compliance officer is assigned to the complaint.

Compliance officers shall not have a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the County Superintendent of Schools or designee for determination of how the complaint will be investigated.

Employees assigned to investigate and resolve complaints shall have training in and be knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program; applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination, harassment, intimidation, or bullying; applicable standards for reaching decisions on complaints; and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the County Superintendent or designee.

A determination shall be made whether interim measures are necessary during an investigation and while the result is pending. Necessary interim measures shall be implemented and remain in place until it is determined that they are no longer necessary or until the COE issues its final written decision, whichever occurs first.

Notifications

The COE's UCP policy and procedures shall be posted in all COE schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

In addition, the County Superintendent or designee shall annually provide written notification of the COE's UCP to students, employees, parents/guardians of COE students, COE school advisory committee members, school advisory committee members, appropriate private school officials or representatives, and other interested parties. (5 CCR 4622)

The notice shall include:

1. A statement that the COE is primarily responsible for compliance with federal and state laws and regulations, including those related to prohibition of unlawful discrimination, harassment, intimidation, or bullying against any protected group, and a list of all programs and activities that are subject to UCP as identified in the section "Complaints Subject to UCP" in the accompanying County Board policy
2. The title of the position responsible for processing complaints, the identity of the person(s) currently occupying that position if known, and a statement that such persons will be knowledgeable about the laws and programs that they are assigned to investigate

3. A statement that a UCP complaint, except a complaint alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed no later than one year from the date the alleged violation occurred
4. A statement that a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying must be filed no later than six months from the date of the alleged conduct or the date the complainant first obtained knowledge of the facts of the alleged conduct
5. A statement that a student enrolled in a public school shall not be required to pay a fee for participation in an educational activity that constitutes an integral fundamental part of the COE's educational program, including curricular and extracurricular activities
6. A statement that a complaint regarding student fees or the local control and accountability plan (LCAP) may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint
7. A statement that the COE will post a standardized notice of the educational and graduation requirements of foster youth, homeless students, children from military families, and former juvenile court school students now enrolled in the COE, as specified in Education Code 48645.7, 48853, 48853.5, 49069.5, 51225.1, and 51225.2, and the complaint process
8. A statement that complaints will be investigated in accordance with the COE's UCP and a written decision will be sent to the complainant within 60 days from the receipt of the complaint, unless this time period is extended by written agreement of the complainant
9. A statement that, for programs within the scope of the UCP as specified in the accompanying County Board policy, the complainant has a right to appeal the COE's investigation report to the California Department of Education (CDE) by filing a written appeal, including a copy of the original complaint and the COE's decision, within 30 calendar days of receiving the COE's decision
10. A statement advising the complainant of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal laws prohibiting discrimination, harassment, intimidation, or bullying, if applicable
11. A statement that copies of the COE's UCP are available free of charge

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the COE and COE school web sites and may be provided through COE-supported social media, if available.

All students and parents/guardians, including students and parents/guardians with limited English proficiency, shall have access to the relevant information provided in the COE's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular COE school speak a single primary language other than English, the COE's UCP policy, regulation, forms, and notices shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the COE shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a site administrator not designated as a compliance officer receives a complaint, the site administrator shall notify the compliance officer.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in

writing due to conditions such as a disability or illiteracy, COE staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging COE violation of applicable state or federal law or regulations governing the programs specified in the accompanying County Board policy may be filed by any individual, public agency, or organization. (5 CCR 4600)
2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the County Superintendent or designee.
3. A UCP complaint, except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying, shall be filed no later than one year from the date the alleged violation occurred. For complaints related to the LCAP, the date of the alleged violation is the date when the Superintendent of Public Instruction (SPI) approves the LCAP that was adopted by the County Board of Education. (5 CCR 4630)
4. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. (5 CCR 4630)
5. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the County Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
6. When a complaint alleging unlawful discrimination, harassment, intimidation, or bullying is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
7. When a complainant of unlawful discrimination, harassment, intimidation, or bullying or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the COE's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the COE shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the COE's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the COE shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the COE shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the COE's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Refusal by the COE to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Investigation Report

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section "Investigation Report" below, with 60 calendar days of the COE's receipt of the complaint (5 CCR 4631)

For any complaint alleging unlawful discrimination, harassment, intimidation, and bullying, the respondent shall be informed of any extension of the timeline agreed to by the complainant.

Investigation Report

For all complaints, the COE's investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered
2. A conclusion providing a clear determination for each allegation as to whether the COE is in compliance with the relevant law
3. Corrective action(s) whenever the COE finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
4. Notice of the complainant's right to appeal the COE's investigation report to CDE, except when the COE has

used the UCP to address a complaint not specified in 5 CCR 4610

5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with COE legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination, harassment, intimidation, and bullying, notice of the investigation report to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient (LEP) student or parent/guardian, then the COE's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

For complaints alleging unlawful discrimination, harassment, intimidation, and bullying based on state law, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the COE's complaint procedures, including s but not limited to, injunctions, restraining orders or other remedies or orders, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or COE environment may include, but are not limited to, actions to reinforce COE policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim

7. Restorative justice

8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints of retaliation or unlawful discrimination, harassment, intimidation, or bullying involving a student as the respondent, appropriate corrective actions that may be provided to the student include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate action shall be taken, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The COE may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the COE does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the law regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the COE shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 51228.3, 52075)

For complaints alleging noncompliance with the law regarding student fees, the COE, by engaging in reasonable efforts, shall attempt in good faith to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the COE's investigation report on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 30 calendar days of receiving the COE's investigation report. (5 CCR 4632)

The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the COE's investigation report for that complaint. The complainant shall specify and explain the basis for the appeal, including at least one of the following: (5 CCR 4632)

1. The COE failed to follow its complaint procedures.

2. Relative to the allegations of the complaint, the COE's investigation report lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the COE's investigation report are not supported by substantial evidence.
4. The legal conclusion in the COE's investigation report is inconsistent with the law.
5. In a case in which the COE found noncompliance, the corrective actions fail to provide a proper remedy.

Upon notification by CDE that the COE's investigation report has been appealed, the County Superintendent or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the COE's investigation report
3. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
4. A report of any action taken to resolve the complaint
5. A copy of the COE's UCP
6. Other relevant information requested by CDE

If notified by CDE that the COE's investigation report failed to address allegation(s) raised by the complaint, the COE shall, within 20 days of the notification, provide CDE and the appellant with an amended investigation report that addresses the allegation(s) that were not addressed in the original investigation report. The amended report shall also inform the appellant of the right to separately appeal the amended report with respect to the allegation(s) that were not addressed in the original report. (5 CCR 4632)

Health and Safety Complaints in License-Exempt Preschool Programs

Any complaint regarding health or safety issues in a license-exempt California State Preschool Program (CSPP) shall be addressed through the procedures described in 5 CCR 4690-4694.

In order to identify appropriate subjects of CSPP health and safety issues pursuant to Health and Safety Code 1596.7925, a notice shall be posted in each license-exempt CSPP classroom in the COE notifying parents/guardians, students, and teachers of the health and safety requirements of Title 5 regulations that apply to CSPP programs pursuant to Health and Safety Code 1596.7925 and the location at which to obtain a form to file any complaint alleging noncompliance with those requirements. For this purpose, the County Superintendent or designee may download and post a notice available from the CDE's web site. (Education Code 8212 ; 5 CCR 4691)

The COE's annual UCP notification distributed pursuant to 5 CCR 4622 shall clearly indicate which of its CSPP programs are operating as exempt from licensing and which CSPP programs are operating pursuant to requirements under Title 22 of the Code of Regulations. (5 CCR 4691)

Any complaint regarding specified health or safety issues in a license-exempt CSPP program shall be filed with the preschool program administrator or designee, and may be filed anonymously. The complaint form shall specify the location for filing the complaint, contain a space to indicate whether the complainant desires a response to the complaint, and allow a complainant to add as much text as desired to explain the complaint. (Education Code 8212 ; 5 CCR 4690)

If it is determined that the complaint is beyond the authority of the preschool program administrator, the matter shall be forwarded to the County Superintendent or designee in a timely manner, not to exceed 10 working days, for resolution. The preschool administrator or the County Superintendent or designee shall make all reasonable efforts to investigate any complaint within their authority. (Education Code 8212 ; 5 CCR 4692)

Investigation of a complaint regarding health or safety issues in a license-exempt CSPP program shall begin within 10 days of receipt of the complaint. (Education Code 8212 ; 5 CCR 4692)

The preschool administrator or designee shall remedy a valid complaint within a reasonable time period not to exceed 30 working days from the date the complaint was received. If the complainant has indicated on the complaint form a desire to receive a response to the complaint, the preschool administrator or County Superintendent's designee shall, within 45 working days of the initial filing of the complaint, report the resolution of the complaint to the complainant and CDE's assigned field consultant. If the preschool administrator makes this report, the information shall be reported at the same time to the County Superintendent or designee. (Education Code 8235.5; 5 CCR 4692)

If a complaint regarding health or safety issues in a license-exempt CSPP program involves a limited-English-proficient (LEP) student or parent/guardian, then the COE's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

If a complainant is not satisfied with the resolution of a complaint, the complainant has the right to describe the complaint to the Board at a regularly scheduled meeting and, within 30 days of the date of the written report, may file a written appeal of the COE's decision to the County Superintendent of Public Instruction in accordance with 5 CCR 4632. (Education Code 8212; 5 CCR 4693, 4694)

All complaints and responses are public records. (5 CCR 4690)

Summarized data on the nature and resolution of all CSPP health and safety complaints, including the number of complaints by general subject area with the number of resolved and unresolved complaints, shall be reported to the County Board at a regularly scheduled County Board meeting. (5 CCR 4693)

FOSTER YOUTH EDUCATION RIGHTS

1. RIGHT TO REMAIN IN YOUR SCHOOL OF ORIGIN

- You have the right to stay in the same school after you move to a new foster care placement. Your “school of origin” can be:
 1. The school you attended when you first entered foster care,
 2. The school you most recently attended, or
 3. Any school you attended in the last 15 months that you feel connected to.
- Your school district must work with you, your education rights holder,* your caregiver, and your social worker/probation officer to develop a plan to transport you to your school of origin.
- If you are transitioning from elementary school to middle school or from middle school to high school, you have the right to transition to the same school as your classmates.
- If there is any disagreement about which school you will attend, you have the right to stay in your school of origin until the disagreement is resolved.

2. RIGHT TO IMMEDIATE ENROLLMENT IN SCHOOL

- You have the right to immediately enroll in your regular home school after you move placements.
- You cannot be forced to attend a continuation school or other alternative education program, such as independent study, even if you are behind in credits or have discipline problems at school.
- You have a right to immediately enroll in school and begin attending classes, even if you do not have the paperwork you would normally need for enrollment (such as birth certificate, transcript, or IEP) or you did not check-out from your previous school.
- Your previous school must send your education records to your new school after you enroll.
- You have the right to participate in any activities available at your new school, such as sports teams, tutoring, or after-school clubs, even if you miss a tryout or sign-up deadline.

3. RIGHT TO PARTIAL CREDITS FOR HIGH SCHOOL STUDENTS

- If you change schools during the school year, you have a right to partial credits in all classes that you are passing when you leave your old school, even if you do not complete the entire class.
- After you change schools, your new school must accept the partial credits issued by your old school.
- After you change schools, you have the right to be enrolled in the same or similar classes you were enrolled in at your last school.
- You cannot be forced to retake a class or part of a class that you have already completed with a passing grade, if it would make you off-track for high school graduation.
- You have the right to take or retake any class that you need to go to a California State University or University of California.
- Your grade cannot be lowered because you were absent from school for a court hearing, placement change, or a court-related activity.

4. GRADUATION RIGHTS

- You have the right to stay in high school for a fifth year to complete your school district graduation requirements, even if you are over 18.
- If you are behind on your credits, and you transferred schools after 10th grade, you may be eligible to graduate under AB 167/216 by completing only the state graduation requirements (130 credits in specific classes) instead of your school district’s requirements.
- If you are eligible, the decision of whether to graduate under AB 167/216 is made by your education rights holder.

5. COLLEGE RIGHTS

- You have the right to have the application fee waived when you apply to a community college in California.
- You have the right to receive the maximum amount of federal student aid and you may be eligible for up to \$5,000 per year from the Chafee scholarship.

6. SCHOOL DISCIPLINE RIGHTS

- You cannot be suspended for more than 5 school days in a row or for more than 20 days in a school year.
- You have a right to be told why you are being suspended and the right to provide your version of events and evidence before you are suspended, unless there is an emergency. If the behavior for which you are being suspended could subject you to criminal charges, you should consult with your education rights holder or attorney before providing an oral or written statement to the school or police.
- Your attorney and social worker must be invited to a meeting before your suspension can be extended beyond 5 days and a suspension can only be extended if you are being considered for expulsion.
- You have a right to a formal hearing, and to be represented by an attorney at that hearing, before you are expelled.
- If you are facing a possible expulsion, your attorney and social worker must be notified. If you are in special education, your attorney and social worker must be invited to a meeting to decide whether your behavior was related to your disability.

7. RIGHT TO YOUR SCHOOL RECORDS

- You have the right to access your school records if you are 16 years or older or have finished 10th grade.
- Your social worker/probation officer and education rights holder can access your school records as well.

NON-EDUCATION RIGHTS

As a foster youth, you also have other rights that are not related to school, such as the right to see a doctor or to have private storage space. For more information, please see the **Foster Youth Bill of Rights** (www.fosteryouthhelp.ca.gov/rights2.html)

*EDUCATION RIGHTS HOLDERS

Every foster youth under age 18 must have an education rights holder, who is required to make education decisions in the youth's best interest. Foster youth who are 18 or older have the right to make their own education decisions. Your education rights holder may be your parent or legal guardian, your caregiver, or another person chosen by the court. Your education rights holder cannot be your social worker or probation officer, your attorney, or group home or school staff members. It is important to know who your education rights holder is. If you need information about who your education rights holder is, you can contact your social worker or attorney.

If you believe your education rights have been violated,

you can file a complaint. The school has 60 days to investigate and give you a written response. For information about how to file a complaint, please visit cde.ca.gov/re/cp/uc, or call the California Dept. of Education Coordinated School Health and Safety Office at (916) 319-0914.

For more information about your education rights, please see the **Foster Youth Education Toolkit** (www.kids-alliance.org/edtoolkit) or the **California Youth Education Task Force** (www.cfyetf.org). You also can contact your school district's Foster Youth Educational Liaison or your county's Foster Youth Services Coordinating Program (FYSC) at cde.ca.gov/ls/pf/fy.

- 1.0 The local governing board shall establish and implement a policy on parent and family engagement. (California *Education Code* [EC] sections [§§] 11500-11504, 51101[b]; 20 United States Code [U.S.C.] § 6318[a][1], 6318[a][2])
- 1.1 San Luis Obispo County Office of Education (SLOCOE) has developed a written Title I parent and family engagement policy with input from parents and family members of participating children. Input is gathered through surveys, site meetings, and site parent advisory committees.

The LEA has distributed the policy to parents and family members of children served under Title I, Part A. The policy is distributed to families through the annual notification, all-call messages, and posted on the LEA's website. (20 U.S.C. § 6318[a][2])

To involve parents and family members in the Title I program at SLOCOE, the following practices have been established:

- a) SLOCOE incorporates the parent and family engagement policy into the SLOCOE level plan. (20 U.S.C. § 6312, 6318[a][2])

SLOCOE includes a goal about improving family engagement in the Local Control and Accountability Plan (LCAP). This goal includes actions, services, and expenditures addressing family engagement, including meaningful participation and opportunities to provide input on decisions. Actions and strategies are also included in the LCAP Federal Addendum.

- b) SLOCOE involves parents and family members in the joint development of the local educational agency planning efforts and in the process of school review and improvement. (20 U.S.C. § 6318[a][2][A])

SLOCOE annually surveys parents and family members to gather feedback about what is working and areas of improvement around the LCAP, as well as school goals and actions. Stakeholder feedback is also gathered at school meetings, parent advisory committee meetings, School Site Council meetings, and through other means. The information gathered is used to revise the LEA's LCAP, the LCAP Federal Addendum, and the sites' School Plan for Student Achievement (SPSA).

- c) SLOCOE provides coordination, technical assistance, and other support necessary to assist and build the capacity of all participating schools within the SLOCOE in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance. (20 U.S.C. § 6318[a][2][B])

LEA staff work collaboratively with site administrators to plan and implement parent and family engagement activities.

- d) SLOCOE coordinates and integrates Title I, Part A parent and family engagement strategies with parent and family engagement strategies, to the extent feasible and appropriate, with other relevant Federal, State, and local laws and programs. (20 U.S.C. § 6318[a][2][C])

Parent and family engagement activities for all programs, including English Learners and Special Education are coordinated with those offered through Title I, Part A.

The LEA annually gathers input and feedback from stakeholders through the LCAP survey, discussion forums, as well as site and LEA advisory committees to evaluate the effectiveness of the parent and family engagement policy.

SLOCOE identifies the following:

1. Barriers to greater participation by parents in activities authorized by this section (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background). (20 U.S.C. § 6318[a][2][D][i])

The LEA annually gathers input and feedback from stakeholders through the LCAP survey, discussion forums, as well as site and LEA advisory committees to evaluate the effectiveness of the parent and family engagement policy. Barriers are identified through this process and actions are put in to address the needs of families, such as holding meetings at different sites, providing child care, and ensuring information is provided in a language and format easily understood by families. Barriers identified were the need for child care, a later start time for working parents, and the difficulty for working parents to even attend school or LEA meetings.

2. The needs of parents and family members so that they may assist with the learning of their children, including engaging with school personnel and teachers. (20 U.S.C. § 6318[a][2][D][ii])

Firearms Safety Memorandum

To: Parents and Guardians of Students in the **San Luis Obispo County Office of Education**

From: James J. Brescia, Ed.D.

Subject: California Law Regarding Safe Storage of Firearms

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the **San Luis Obispo County Office of Education** of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; **or** (3) unlawfully brandishes the firearm to others.¹
 - **Note:** The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a

location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.²

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.³
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.⁴

Note: Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.
