LAURA STACK
Keynote Speaker

JOIN US FOR AN ENGAGING & POWERFUL NIGHT

- * Learn & recognize the high-potency marijuana products used by today's youth
- * Understand how adolescent THC use can lead to mental illness, psychosis and schizophrenia
- * Know that depression, anxiety and headaches are common signs of THC withdrawal
- * Become aware of the increased suicide rates in teen marijuana use

Best-selling author and internationally renowned speaker. Her 19 year old son, Johnny died from suicide after becoming psychotic from THC concentrates.
