

## STRATEGIC PLAN TWO-YEAR GOALS - 2022-2024

### Goal #1

Focus on an organization-wide culture of clear and current communication practices, accountability, continuous learning, collaboration, and excellence.

### Goal #2

Focus on innovation around data, professional development, research, equity, community resources, and collaboration in service of the entire county.

### Goal #3

Advance the profession by cultivating a rewarding and enjoyable workplace through recruitment, training, retention, workforce diversity, leadership development, collaboration, and career path development.

### Goal #4

Ensure sustainable programs that enhance and capitalize on both internal and external collaborations to promote service and stewardship.

### Goal #5

Ensure that all programs and services provided support the CORE mission of County Offices as detailed by the State and sustainable stakeholder requests.
