

Superintendent Policy 5145.3: Nondiscrimination/Harassment

Status: ADOPTED

Original Adopted Date: 03/05/2020 | **Last Revised Date:** 08/30/2024 | **Last Reviewed Date:** 08/30/2024

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a county office of education (COE) school or program, to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school, and to all acts of the County Board of Education and the County Superintendent of Schools in enacting policies and procedures that govern the COE.

The County Superintendent desires to provide a welcoming, safe, and supportive school environment that allows all students equal access to and opportunities in the COE's academic, extracurricular, and other educational support programs, services, and activities. Unlawful discrimination against a student in any COE school or school activity, including discriminatory harassment, intimidation, and bullying, by anyone, based on any of the following is prohibited: the student's actual or perceived race; color; ancestry; nationality; national origin; immigration status; ethnic group identification; ethnicity; age; religion; pregnancy, childbirth, termination of pregnancy or lactation, including related medical conditions or recovery; parental, marital, and family status; physical or mental disability; medical condition; sex; sex stereotypes; sex characteristics; sexual orientation; gender; gender identity; gender expression; or genetic information; or association with a person or group with one or more of these actual or perceived characteristics.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when the prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in any COE school, , or activities or the provision or receipt of educational benefits or services.

Because unlawful discrimination could occur when disciplining students, including suspension and expulsion, discipline shall be enforced in a fair, consistent, and non-discriminatory manner.

The County Superintendent also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates, participates, or refuses to participate in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The COE shall facilitate students' access to the educational program by publicizing the COE's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the COE's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information shall be posted on the COE's website in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation. (Education Code 234.1, 234.6; 34 CFR 106.8)

Training and/or information on the scope and use of the policy and complaint procedures shall be provided and other measures designed to increase the school community's understanding of the requirements of law related to discrimination shall be taken. The implementation of the COE's nondiscrimination policies and practices shall regularly be reviewed and, as necessary, action to remove any identified barrier to student access to or participation in the COE's educational program shall be taken. The findings and recommendations shall be reported to the County Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law or COE policy or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in

Education Code 48900.4.

Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

When a student has been suspended, or other means of correction have been implemented against the student for an incident of racist bullying, harassment, or intimidation, the principal or designee shall engage both the victim and perpetrator in a restorative justice practice suitable to the needs of the students. The principal or designee shall also require the perpetrator to engage in a culturally sensitive program that promotes racial justice and equity and combats racism and ignorance and shall regularly check on the victim to ensure that the victim is not in danger of suffering from any long-lasting mental health issues. (Education Code 48900.5)

When appropriate based on the severity or pervasiveness of the bullying, the parents/guardians of victims and perpetrators shall be notified and law enforcement may be contacted.

Allegations of unlawful discrimination in COE programs and activities shall be brought, investigated, and resolved in accordance with Board Policy 1312.3 - Uniform Complaint Procedures, when required by law. However, complaints alleging sex discrimination, including sex-based harassment, under Title IX shall be investigated and resolved in accordance with the procedures specified in 34 CFR 106.44 and 106.45 and Exhibit 1 5145.71 - Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures.

Record-Keeping

A record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be maintained to enable the COE to monitor, address, and prevent repetitive prohibited behavior in COE schools.

Antidiscrimination Measures

The County Superintendent hereby incorporates by reference the policies, procedures, and measures implemented by the COE to prevent or address unlawful discrimination in COE schools, programs, and activities. COE nondiscrimination policies and practices shall be reviewed regularly, and action shall be taken to remove any identified barriers to student access to or participation in the educational program.

all relevant information for parents/guardians with limited English proficiency.

Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the COE's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Once notified verbally or in writing, the Compliance Officer or Title IX Coordinator shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination involving the principal, Compliance Officer, Title IX Coordinator, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the County Superintendent or designee who shall determine how the complaint will be investigated.
