Students enrolled in a public school are mandated, through their parents, to comply with California Education Codes for attendance. Regular attendance is paramount for student learning. This is particularly true for Bellevue's thematic and project-based pedagogical design. All absences should be verified with the front office at [805-595-7169](tel:805-595-7169). As a public school, Bellevue's funding is based on attendance numbers. For absences other than illness, consisting of three school days or more, please see our Independent Study Policy at <http://www.bsfc.org/about-bellevue/policies/>.
